'Be the Change'

About IIM Nagpur

The Indian Institute of Management Nagpur (IIMN) was established in the year 2015 by the Ministry of HRD, Government of India, with an aim to facilitate a multi-faceted management knowledge generation and dissemination through ethical and value-based learning while catering to the needs of the emerging Indian economy. The institute started its operations under the mentorship and guidance of one of the most renowned management institutes in India, IIM Ahmedabad.

IIM Nagpur offers an exemplary on-campus learning opportunity that facilitates intensive participation and extensive teamwork through critical thinking and decision-making. Presently located in VNIT campus, IIMN is well poised for capacity and capability building among the students.

As a new generation IIM, IIM Nagpur strives to meet global academic standards and nurture leaders of tomorrow with its innovative use of case study method, industry visits, Field Immersion Module and classroom sessions. The institute believes that adherence to academic and personal conduct based on integrity, honesty and fairness is essential.

With its upcoming campus in the heart of Nagpur's MIHAN SEZ, IIMN is upbeat about developing world-class infrastructure in core industrial area.

Placement Team

Director's **Message**

Greetings from IIM Nagpur!

The two-year Post Graduate Program [PGP] at IIM Nagpur has its curriculum carefully designed by its mentor institute IIM Ahmedabad. The curriculum is specially tweaked to leverage the specific context of Nagpur. A unique feature of PGP at IIM Nagpur is Field Immersion Module which gives the students a deep understanding of the organizations of various sectors; also gives an opportunity to diagnose and identify problems and to come up with realistic solutions. Needless to add, organizations that participated in the Field Immersion Module have highly appreciated IIMN students' projects.

Our faculty members have excellent track record of research and teaching. Through various pedagogical methods, faculty constantly interact with students to make learning most effective and are very appreciative of our students. Our PGP Curriculum is delivered by faculty from IIM Ahmedabad, IIM Bangalore, and other carefully chosen renowned visiting faculty.

Our students are dynamic and energetic and inquisitive and proactive. Besides curricular activities, they also actively take part in co-curricular and extra-curricular activities through various student clubs and activities. That's what

makes them develop a well-rounded personality and prepares them to become excellent professionals.

IIM Nagpur is passionately committed to contribute to the performance of corporates by developing high quality managerial human resource. I believe that our students emerge as the leaders of tomorrow, who not only make a valuable contribution to the corporate world, but to the society as well. All our summer and final placement processes have been gratifying. Organizations from various sectors have recruited our students in various roles and functions ranging from strategy and consulting, marketing and operations to finance. Last year, we saw an increase in the number of companies visiting us and offers made. And we are sure that the trend continues into future.

I welcome the corporate world and recruiters to come visit us and interact with our students. I wish all our students a great professional journey ahead.

Prof. L S Murty
Director, IIM Nagpur

Faculty Speaks

Prof. Ajay Pandey
Financial Markets
IIM Ahmedabad

“My experience with teaching PGP students at IIM Nagpur during 2017-18 was as good as teaching at any other institution including IIM, Ahmedabad.

While teaching them ‘Financial Markets’ and ‘Ethics’ courses, I found them inquisitive and willing to stretch themselves even if the topic was new and unfamiliar to them. I am sure that they will contribute to any organization using their skills honed during the program.”

Prof. Rajesh Chandwani
Human Resources Management
IIM Ahmedabad

“I had the opportunity to interact with the Batch when I taught the core courses. I found the Batch very inquisitive, enthusiastic, and sincere. A

very unique and invaluable attribute of the batch that I noticed was the collegiality amongst the batch mates in the form of peer learning and peer support. I hope this spirit continues in their work place and wish all the best to the students for their future endeavours.”

Prof. Prem Chander
Corporate Finance
IIM Ahmedabad

“This is a great batch very rich in work experience. I had the opportunity to share Corporate Finance I and II with a colleague. The classes discussions were of a high standard. I wish them all the best in their future endeavours.”

Prof. Danesh Gojer
Business Communication
Adjunct Faculty IIM Udaipur,
IIM Nagpur

“I have taught this very fine group of students throughout their entire first year and without exception found them to be not only acutely capable and talented but also brimming with dedication and

zeal. My course Written Analysis and Communication is a particularly challenging one as it revolves around the writing of managerial decision reports. Therefore the onus is placed on students very early on to have to think and write like managers. These students not only conquered every challenge but did so with unwavering effort and enthusiasm. Therefore I have absolutely no doubt that they will be an asset to any organization that they join.”

Prof. Deeparghya Mukherjee
Macroeconomics
IIM Nagpur

“In a world of evolving possibilities, the role of a manager gets redefined with fresh challenges frequently. In similar vein, management education has to keep equipping budding industry leaders of the future with the wherewithal to face

up to the challenges and provide solutions for the future that lies ahead of them. At IIM Nagpur, the students of the 2017-19 batch have chosen to go through a career development path through the rigorous management education they have received over the last year and more. They are now ready to be an asset to any organisation which they wish to contribute to. The companies who choose to recruit our budding industry leaders would feel the positive difference and I wish them all the best.”

Permanent Faculty

Prof. L S Murty

Director, Production & Operations Management

Prof. L S Murty received the award for Best Teacher and Most Responsive Teacher Award at IIMB. Throughout his career, he has held various academic administrative positions. He has consulted for many companies in various sectors. Prof. Murty's areas of interest include Operations Planning and Operations Strategy. About PGP

With the combination of case study approach, field immersion and interactive classroom sessions, the Post Graduate Program (PGP) at IIM Nagpur offers a unique learning experience to its students. We have inherited the rich program convention followed at the top B-Schools around the globe. Breaking the barriers of conventional teaching, introduction of virtual classroom facility along with classroom teaching ensures seamless flow of information. This allows the Institute to source the best knowledge available across the globe, be it the elite faculty from well-known B-Schools or the Industry Experts from different sectors around the world. Each year, we are adding new perspectives to managerial skills, projecting the Institute's assurance towards developing leaders with a view attuned towards fostering excellence.

We are proud to have a very inquisitive and talented pool of students who come from diverse academic backgrounds, out of which some have graduated from premier institutes of India and some have international exposure. Having an average work experience of 31 months, most of our students are well acquainted with corporate culture and policies, hence will prove to be an asset to the organizations they will get associated with.

Our students' strong association with cultural and sports activities further fosters unity amongst the batch. We celebrate the diversity of our traditions with enthusiasm and zeal, be it Ganesh Chaturthi, Eid, Onam, Diwali, Dussehra or Christmas. Substantial level of involvement of our students in various events leads to a campus life buzzing with vitality and cheer.

Courses offered

Students at IIMN experience a rigorous coursework over the two years. The program is divided into six terms and summer internship in-between the two years. Terms I, II, III have compulsory courses while electives are offered in Terms IV, V, and VI of the second year.

Foundation of Excellence
Business Models

Field Immersion

IIM Nagpur distinctly captures the identity of being the first B-School to introduce the 'Field Immersion Module'- an innovative platform for Industry-Student Interaction.

In 4-5 weeks, the students apply their classroom learning in real-life scenarios at MSMEs and NGOs including governmental, agricultural, environmental organizations. This opportunity equips the students with the understanding of how the organizational challenges are captured and how different strategies are put into effect, to confront those. Through this program, our students also become an important contributor in refining different processes involved in the organization.

While imbibing the practices & culture of the organization, our students in groups perform various levels of analysis to streamline the organization's processes. They apply their managerial skills and expertise in identifying control deficiencies & probable risk factors, structuring standard operating procedures, formulating divisional strategies, increasing resource utilization and conducting market research that help organizations in further strategic decision making. This program thus makes Vidarbha a direct beneficiary of the students' expertise as well as a medium for students to showcase their managerial potential.

International Immersion

IIM Nagpur is happy to announce the introduction of the 'International Immersion Module' as an elective in term 5 of the curriculum. The objective of the module is to broaden the horizon of the students from a national to a more global focus. As a part of this module field visits have been arranged for students in countries like Japan, Singapore, South Korea and UAE. Students will be visiting key industrial touch points with sessions from top corporate professionals planned. To enhance the learning, academic sessions from world renowned Academia based out of these locations are also in the pipeline. The students will also be given the opportunity to explore the city and communicate with the local population to understand the socio-cultural nuances of each country. At the end of the module the students are required to make a presentation about the business opportunities in the country keeping in mind the current business scenario and the needs of the people of the visited country.

Industry Outreach

ILLUME

IIM Nagpur organised its second industry institute interaction meet – ILLUME'17, IIM Nagpur's Annual Flagship Event in July 2017 aimed at harnessing industry experience and to nurture relationship between the industry and the Institute. The event witnessed participation from seventeen eminent industry leaders sharing evolving industry trends.

The topics covered in the session were the recent buzz topics the corporates are working on. Speaking about the innovative

HR strategies and attractive employee value proposition, one of our guest said, "Intensity of employee attraction depends on the kind of experience you create for them. Also, one must identify at what level one wants to engage with people, that drives employee value proposition." Developing new skill sets while aligning it with core strength and Financial Inclusion being one of the highlights of the event.

Events & Achievements

RBI Policy Challenge 2018

IIM Nagpur team comprising Rishav Raj, Jason D'silva, Kushal Gangar and Yash Thakur secured the 2nd runner-up prize in the national round of RBI Policy Challenge 2018 under the mentorship of Prof. Deeparghya Mukherjee. The team reached to the national round by winning zonal and regional rounds in which several premier institutes participated such as IIM Ahmedabad, IIM Indore, IIM Raipur and TISS Mumbai. The team made its way to the final out of 216 initial participants across reputed educational institutions of the country.

The team was given a topic titled 'Normalisation in Advanced Economies: Implications for India.' & they presented monetary and liquidity recommendations before a distinguished jury comprising Sanjeev Sanyal, Principal Economic Advisor, Govt. of India; Pranjul Bhandari, Chief India Economist, HSBC; and Amartya Lahiri, Director, CAFRAL, Mumbai. The team received the prize from Mr. Viral Acharya, Deputy Governor, RBI.

Tata Crucible – The Campus Quiz – 2018

IIM Nagpur Students Karim Baig and Shikhar Bhardwaj secured the Regional Runners-up position at the Tata Crucible – The Campus Quiz – 2018 held at Nagpur. 'Tata Crucible - The Business Quiz' seeks to bring together sharpest young corporate minds in India to take on the heat of the toughest business quiz in India. Youth is a key audience cluster which the Tata Group is focusing its communication at and Tata Crucible is one of the key initiatives towards this engagement. IIM Nagpur students had secured prizes in the regional level in its previous editions also.

Reliance - The Ultimate Pitch 3.0

Team Planateers of IIM Nagpur comprising Sameer Bhajni, Sourabh Patil and Prasanna Dharkar became the Zone 4 Winners of The Ultimate Pitch 3.0 and was selected to contest in the National Level Finals. The Ultimate Pitch is a strategic elevator pitch contest to celebrate the spirit of entrepreneurship and it included around 40 premier business schools across all the zones.

YES Bank Transformation Series - 2017

YES Bank Transformation Series is one of India's largest case study competition for B-School students across the world. It consisted of four different case study series addressing issues in FINTECH space. IIM Nagpur team comprising of Prasanna Dharkar, Sameer Bhajni and Sourabh Patil were winners of Intelip case study and was selected among Top 50 teams from 26850 participants across the country.

Bonjour India 2017: House of the Moon

In an attempt to restore the French buildings of the yore, French Embassy and Institut Français consulted the students of IIM Nagpur through the 'Know Your Indo-French Heritage project', organized by Aishwariya Tipnis, founder of ATA Architecture. IIM Nagpur students (Omshree Sawant, Sreeram Sakkhari, Viswanath Sharabu, Gaurav Agarwal) visited Chandernagore, the town which housed French colonial empire and remaining of the French buildings. The IIM students, each led a group of students from the Jadavpur University and the architecture school from Confluence, Lyon. The groups brainstormed sustainable solutions for the dilapidated Registry buildings and the IIM students converted the ideas into a business model on four sustainable solutions of lodging, restaurant, hospital and library which are presented to the eminent guest from the Chandernagore Community.

Clubs & Committees

Finance Club

FINesse, the Finance Club of IIM Nagpur, is a platform which cultivates an interest in Finance among the students. It aims to facilitate understanding of the latest trends in Finance through guest sessions on Risk Smart Organizations, GST etc. by distinguished industry experts and the weekly newsletters. In order to bridge the gap between the theoretical concepts and the practical understanding, club organizes activities like virtual stock-trading competitions, finance related case study competitions, workshops on latest software tools and techniques used in the industry. These activities ultimately lead the students to explore and gain expertise in the various career avenues in Finance.

Marketing Club

MarX, the marketing club of IIM Nagpur, aims to provide a platform for students to transform themselves into industry ready marketers. Our endeavour is to assist students to build expertise in marketing & strategic management through a series of events, industry interaction, and live projects. To achieve the objective, the club facilitates sessions by marketing & strategic heads from companies like Lowe Lintas, Godrej, Unilever, John Deere etc. The club orchestrates opportunities for students to test the marketing gyaan, by organizing national level competitions like Advise, Brandit, Consumer challenge, which have seen enthusiastic participation from top Indian B-schools.

Operations Club

Opex, the operations club at IIM Nagpur strives to facilitate students in practically applying conceptual learnings of Operations and Supply chain management. Since its inception, the club has been at the forefront in organizing real-world scenario-based simulation games to give students a firsthand experience of Operations management. Club also has been hosting nation-wide quizzes and guest lectures by eminent speakers. In future, the club plans to provide students with live projects, conduct nation-wide case study competitions, upscale the nature of simulation games to be played among the larger audience and share knowledge on recent trends in operations management.

Analytics Club

Predixion aspires to facilitate dissemination of knowledge and guidance to students about Business Analytics and its applications in current industry scenario. The club conducted multiple guest speaker sessions where students got an opportunity to interact with industry experts on topics like AI, ML and start-up opportunities in analytics. The club organized SLGs (self-learning groups) which acted as a platform for learning analytical concepts and techniques that will help students make impact in their professional career. Predixion has planned to conduct simulation sessions and workshops to help students realign and focus on data driven approach for decision making.

Media Cell

Media connect club of IIM Nagpur acts as the official channel of communication and interaction between the institute and the outside stakeholders. The club is responsible for handling social media activities, brand building exercises on various platforms. It contributes significantly towards developing creative content for events and captures the soul of the college through its lens. It also publishes and maintains blog posts written solely by the students of the institute on myriad topics.

E-Cell

The Entrepreneurship Cell of IIM Nagpur has been set up to promote entrepreneurial culture in students and budding entrepreneurs in India, particularly in the state of Maharashtra. The mission is to assist young leaders by providing necessary resources and taking the ideas forward through various events like E-Talks, INCITE, Workshops, Incubation program, etc. The club aims to nurture a community of dedicated Students, Entrepreneurs and Academicians by connecting them with Industry experts and Angel Investors to better the future prospects and viability of the business.

Toastmasters

“Toastmasters International (TMI) is one of the world leaders in helping people develop their leadership and communication skills. IIM Nagpur has embarked on this positive and supportive leading journey of exchanging ideas and empowering individuals to become more effective communicators in line with TM’s mission. We envision to leverage the platform created by TMI by ensuring effective participation from the young leaders at IIM Nagpur by making it an experience like no other.”

Community Outreach Club

Ummeed is an initiative undertaken by the students of IIM Nagpur which aims at spreading awareness about various social causes, sensitizing the minds of future business leaders and developing a sense of social responsibility among them. It envisions to help and to empower the underprivileged and differently-abled through its unique and compassionate approach to social issues. To this end, the club organizes events such as Blood Donation Drive, Donation Drive for slum dwellers, debate competition, and plantation drive in the campus among others. Ummeed also aspires to bring together business management concepts and social causes for the effective and efficient functioning of social organizations by inclusive community engagement through case studies written in conjunction with these social enterprises. The students also voluntarily visit the nearby orphanage each weekend to impart knowledge the underprivileged students, for whom being taught is a luxury they can't afford.

Cultural Club

Abhyudaya, the cultural club of IIM Nagpur, is a platform to grow together by embracing the diversity in each of us separated by geographies and philosophies. Since its inception, the club has been actively working through team building activities, games and festivals to enhance self-awareness and at the same time, inspiring people to think outside the box. The club organises various festivals round the year which the students celebrate together at the campus as a family.

Sports Club

Sports Club of IIM Nagpur aspires to bring out the sportsperson in each management student of the institute. Besides ensuring that students here lead a balanced lifestyle, we also aim to instil the virtues of team-work, leadership, and persistence among them. Last year we co-ordinated with the organizing committee of Nagpur Marathon and supported the cause of Tobacco-free Nagpur by ensuring participation of our students in the marathon. We also conducted the annual sporting event of IIM Nagpur, "Rhapsody," in which students competed across seven different sports. Sports Club also oversees the gymnasium facility in IIM Nagpur.

Movie Club (SIG)

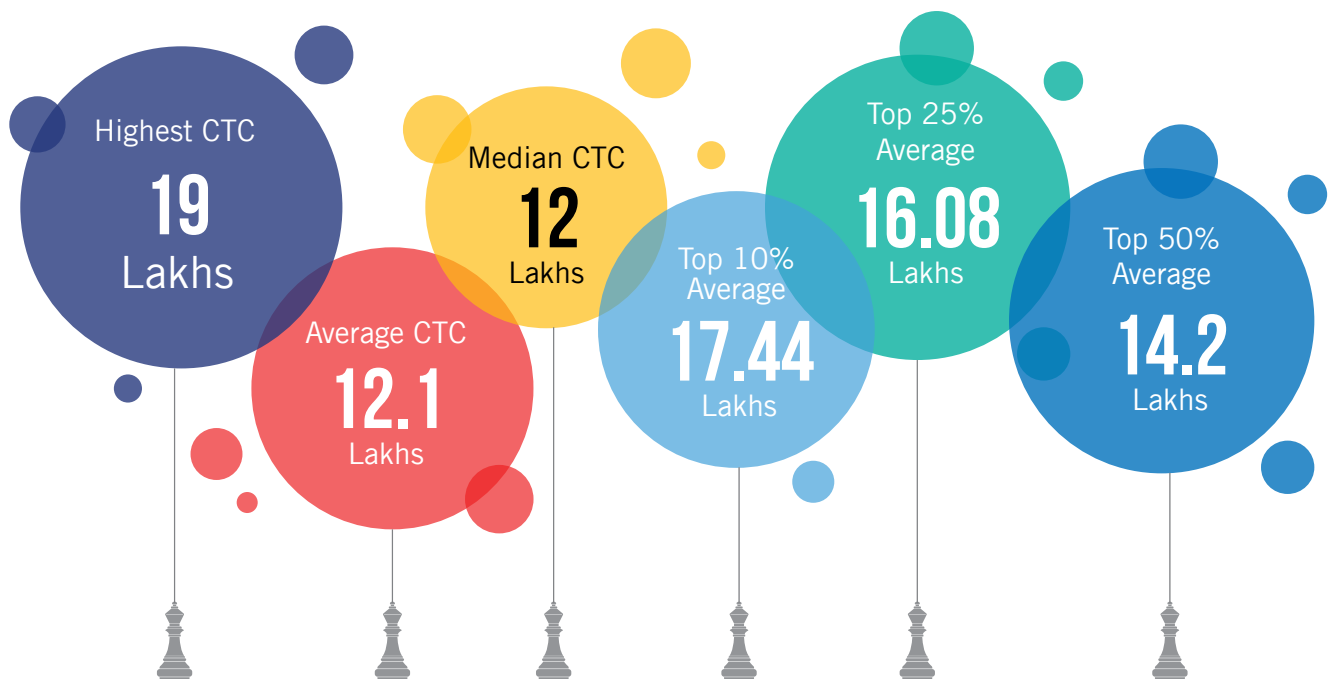

The main aim of this SIG (Cineastes) is to learn through Entertainment. Every cinema comes with different aspect of our day-to-day life. Each film helps us to explore different culture and in the process to know our own. You never close a book without learning something; Cinema is the same in different form. We as the Movie Interest Group recognized this ability of the motion pictures and wants to provide a platform for screening and discussions to grow and learn in the process.

Final Placement Report

PGP 2016-18

IIM Nagpur witnessed enthusiastic participation from more than forty recruiters including many first time participants. Companies across various sectors like Analytics, FMCG, IT consulting, BFSI, Logistics, Consumer durables and Media have made a beeline for the campus participation. The prominent recruiters are ICICI Lombard, Yes Bank, Value Labs, JK Technosoft, TechAspect, Fractal Analytics, L&T, VLCC, DTDC, SBI Mutual Fund, Bajaj Allianz among many others.

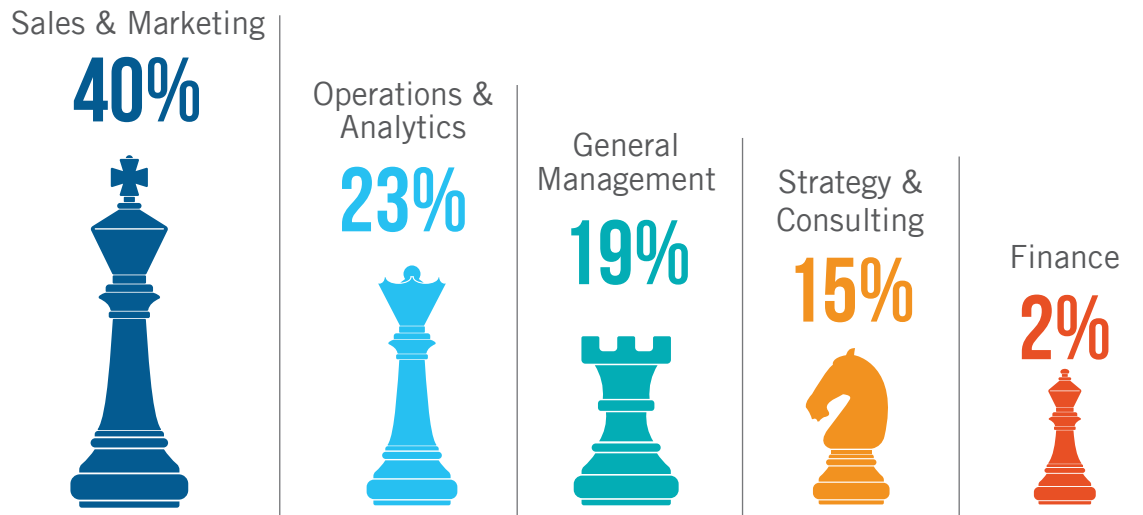

Prabhat Prasad

Associate Director – Human Resources, TechAspect

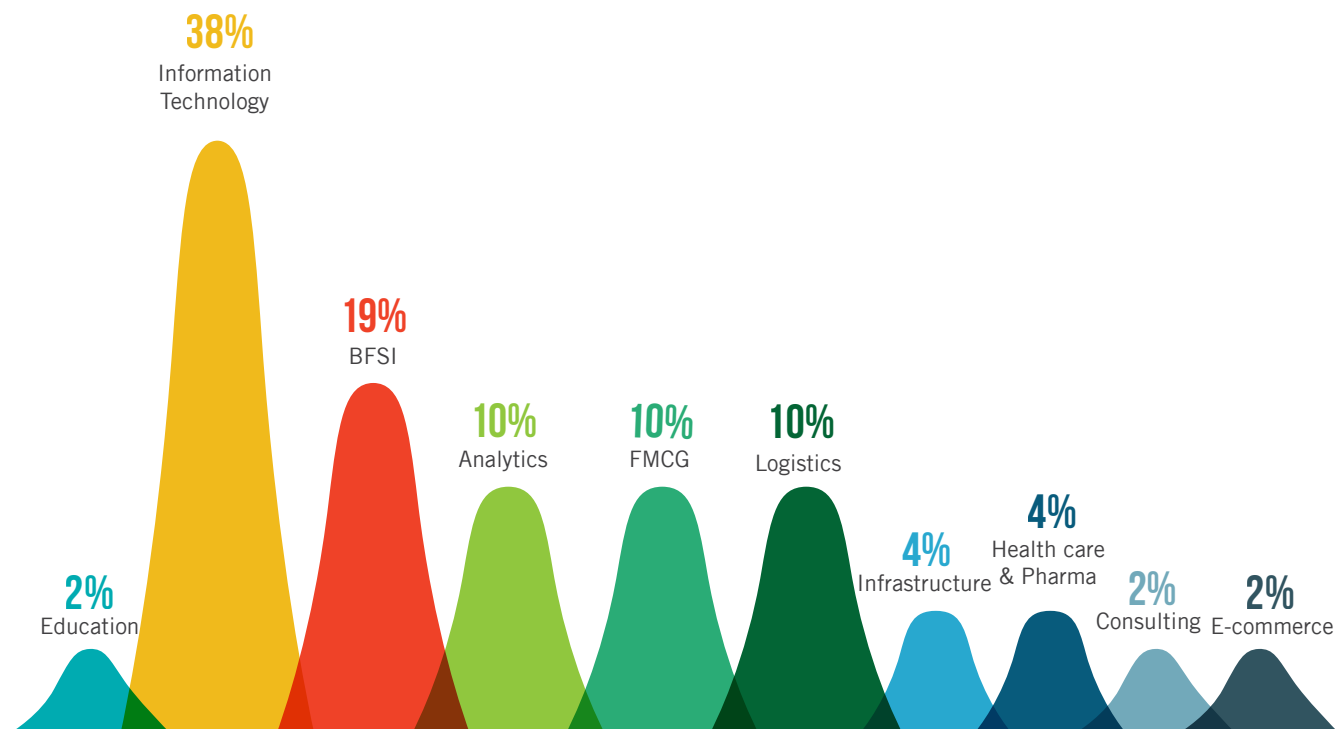

TECHASPECT

“TechAspect was very happy to participate in the placement drive of IIM Nagpur. There was good participation from Students and it was a difficult exercise for us to choose from the top-notch Talent. We saw a good mix of experience and exuberance, and we are really happy to say that we have hired some top Industry leaders from 2016-18 batch”

Nagpur, located at the heart of the country, has marked its presence as one of the fastest growing cities in India. Popularly known as the Orange City, Nagpur has shown tremendous growth in terms of infrastructure development attracting investments from different parts of the globe. MIHAN (Multi-modal International Airport and Hub at Nagpur) Project, said to be the largest infrastructure development in Asia, has put Nagpur on the world map. Soon-to-be the first large-scale integrated smart city of the country, Nagpur is easily accessible to all the major cities across the country. All the major highways and railways trunk routes pass through Nagpur, making it potentially the biggest logistics hub in India.

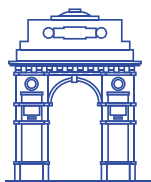

Nagpur is an educational hub in Central India which has attracted the Government's attention to setup premiere institutes in and around the city. Surrounded by five forest reserves, Nagpur attracts wildlife tourism and has been named as the 'Tiger Capital of India'. Surging industrial growth, fast-growing infrastructure, strong connectivity and best-in-class educational institutions are some of the key factors that make Nagpur one of the most sought after cities in the country.

How to reach IIM Nagpur

Indian Institute of Management Nagpur campus, located in the plush green VNIT campus, is 6 km from Dr. Babasaheb Ambedkar International Airport and 7 km from the Nagpur Railway Station.

Well connected by Air, Road and Rail to all the major cities in the country, Nagpur has efficient public transport within the city like cabs, buses and the upcoming Nagpur Rail Metro.

Pre-paid taxi and Cab aggregators are available 24*7 in Nagpur.
