# SUMMER INTERNSHIP BROCHURE PGP 2018-20

# About IIM Nagpur

The Indian Institute of Management Nagpur (IIMN) was established in the year 2015 by the Ministry of HRD, Government of India, with an aim to facilitate a multi-faceted management knowledge generation and dissemination through ethical and value-based learning while catering to the needs of the emerging Indian economy. The institute started its operations under the mentorship and guidance of one of the most renowned management institutes in India, IIM Ahmedabad.

IIM Nagpur offers an exemplary on-campus learning opportunity that facilitates intensive participation and extensive teamwork through critical thinking and decision-making. Presently located in VNIT campus, IIMN is well poised for capacity and capability building among the students.

As a new generation IIM, IIM Nagpur strives to meet global academic standards and nurture leaders of tomorrow with its innovative use of case study method, industry visits, Field Immersion Module and classroom sessions. The institute believes that adherence to academic and personal conduct based on integrity, honesty and fairness is essential.

With its upcoming campus in the heart of Nagpur's MIHAN SEZ, IIMN is upbeat about developing world-class infrastructure in core industrial area.

## Director's Message

Greetings from IIM Nagpur!

The two-year Post Graduate Program [PGP] at IIM Nagpur has its curriculum carefully designed by its mentor institute IIM Ahmedabad. The curriculum is specially tweaked to leverage the specific context of Nagpur. A unique feature of PGP at IIM Nagpur is Field Immersion Module which gives the students a deep understanding of the organizations of various sectors; also gives an opportunity to diagnose and identify problems and to come up with realistic solutions. Needless to add, organizations that participated in the Field Immersion Module have highly appreciated IIMN students' projects.

Our faculty members have excellent track record of research and teaching. Through various pedagogical methods, faculty constantly interact with students to make learning most effective and are very appreciative of our students. Our PGP Curriculum is delivered by faculty from IIM Ahmedabad, IIM Bangalore, and other carefully chosen renowned visiting faculty. Our students are dynamic and energetic and inquisitive and proactive. Besides curricular activities, they also actively take part in co-curricular and extra-curricular activities through various student clubs and activities. That's what makes them develop a well-rounded personality and prepares them to become excellent professionals.

IIM Nagpur is passionately committed to contribute to the performance of corporates by developing high quality managerial human resource. I believe that our students emerge as the leaders of tomorrow, who not only make a valuable contribution to the corporate world, but to the society as well. All our summer and final placement processes have been gratifying. Organizations from various sectors have recruited our students in various roles and functions ranging from strategy and consulting, marketing and operations to finance. Last year, we saw an increase in the number of companies visiting us and offers made. And we are sure that the trend continues into future.

I welcome the corporate world and recruiters to come visit us and interact with our students. I wish all our students a great professional journey ahead.

# About PGP

With the combination of case study approach, field immersion and interactive classroom sessions, the Post Graduate Program (PGP) at IIM Nagpur offers a unique learning experience to its students. We have inherited the rich program convention followed at the top B-Schools around the globe. Breaking the barriers of conventional teaching, introduction of virtual classroom facility along with classroom teaching ensures seamless flow of information. This allows the Institute to source the best knowledge available across the globe, be it the elite faculty from well-known B-Schools or the Industry Experts from different sectors around the world. Each year, we are adding new perspectives to managerial skills, projecting the Institute's assurance towards developing leaders with a view attuned towards fostering excellence.

We are proud to have a very inquisitive and talented pool of students who come from diverse academic backgrounds, out of which some have graduated from premier institutes of India. Having an average work experience of 30 months, most of our students are well acquainted with corporate culture and policies, hence will prove to be an asset to the organizations they will get associated with.

Our students' strong association with cultural and sports activities further fosters unity amongst the batch. We celebrate the diversity of our traditions with enthusiasm and zeal, be it Ganesh Chaturthi, Eid, Onam, Diwali, Dussehra or Christmas. Substantial level of involvement of our students in various events leads to a campus life buzzing with vitality and cheer.

# Field Immersion

IIM Nagpur distinctly captures the identity of being the first B-School to introduce the 'Field Immersion Module'- an innovative platform for Industry-Student Interaction.

In 4-5 weeks, the students apply their classroom learning in real-life scenarios at MSMEs and NGOs including governmental, agricultural, environmental organizations. This opportunity equips the students with the understanding of how the organizational challenges are captured and how different strategies are put into effect, to confront those. Through this program, our students also become an important contributor in refining different processes involved in the organization.

While imbibing the practices & culture of the organization, our students in groups perform various levels of analysis to streamline the organization's processes. They apply their managerial skills and expertise in identifying control deficiencies & probable risk factors, structuring standard operating procedures, formulating divisional strategies, increasing resource utilization and conducting market research that help organizations in further strategic decision making. This program thus makes Vidarbha a direct beneficiary of the students' expertise as well as a medium for students to showcase their managerial potential.

# International Immersion

IIM Nagpur is happy to announce the introduction of the 'International Immersion Module' as an elective in term 5 of the curriculum. The objective of the module is to broaden the horizon of the students from a national to a more global focus. As a part of this module field visits have been arranged for students in countries like Japan, Singapore, South Korea and UAE. Students will be visiting key industrial touch points with sessions from top corporate professionals planned. To enhance the learning academic sessions from world renowned Academia based out of these locations are also in the pipeline. The students will also be given the opportunity to explore the city and communicate with the local population to understand the socio-cultural nuances of each country. At the end of the module the students are required to make a presentation about the business opportunities in the country keeping in mind the current business scenario and the needs of the people of the visited country.

# Industry Outreach

## ILLUME

IIM Nagpur organised its second industry institute interaction meet – ILLUME'17, IIM Nagpur's Annual Flagship Event in July 2017 aimed at harnessing industry experience and to nurture relationship between the industry and the Institute. The event witnessed participation from seventeen eminent industry leaders sharing evolving industry trends.

The topics covered in the session were the recent buzz topics the corporates are working on. Speaking about the innovative HR strategies and attractive employee value proposition, one of our guest said, "Intensity of employee attraction depends on the kind of experience you create for them. Also, one must identify at what level one wants to engage with people, that drives employee value proposition." Developing new skill sets while aligning it with core strength and Financial Inclusion being one of the highlights of the event.

# Clubs & Committees

## Operation's **Club**

Opex, the operations club at IIM Nagpur, facilitates students in practically applying conceptual learnings of Operations and Supply chain management. Since its inception, the club has been at the forefront in organizing real-world scenario-based simulation games to give students a firsthand experience of Operations management. Club also has been hosting nation-wide quizzes, case study competitions and guest lectures by eminent speakers.

## Marketing **Club**

MarX, the Marketing Club of IIM Nagpur, aims to provide a platform for the students to transform themselves into industry ready marketers. Our endeavor is to assist students to build expertise in the field of marketing & strategic management through a series of events, industry interaction sessions, and live projects.

## Finance **Club**

FINesse, the Finance Club of IIM Nagpur, is a platform which facilitates the practical understanding of the latest trends in Finance through guest sessions, weekly newsletters, classroom exercises, case study competitions and virtual stock trading, helping the students to explore and gain expertise in the various career avenues in Finance

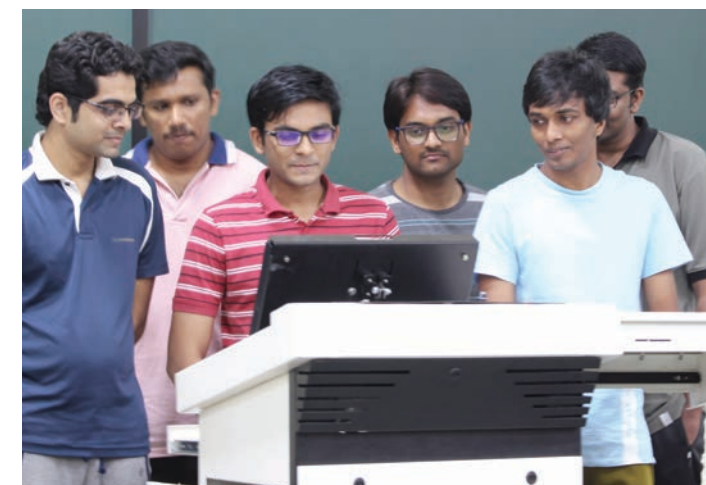

## Analytics **Club**

Predixion aspires to guide students about Business Analytics and its applications in current industry scenario. The club conducted guest-speaker sessions where students interacted with industry experts on career and startup opportunities in analytics. Predixion has planned to conduct activities that would help students develop data driven approach for decision making.

## Community Outreach **Club**

Ummeed is an initiative undertaken by the students of IIM Nagpur which aims at spreading awareness about various social causes, sensitizing the minds of future business leaders and developing a sense of social responsibility among them. The club organizes events such as blood donation drive, plantation drive, debate competition, donation drive for slum dwellers in the campus.

## Entrepreneurship **Cell**

E-CELL, The Entrepreneurship Cell of IIM Nagpur has been set up to promote an entrepreneurial culture in students and budding entrepreneurs in India in general and Maharashtra in particular. The mission is to assist by providing necessary resources for interested entrepreneurs in taking the ideas forward through various events. The club aims to nurture a community to understand start-up ecosystem and practice entrepreneurship.

## Sports **Club**

Sports Club of IIM Nagpur oversees the daily Sports and Fitness activities in IIM Nagpur. Apart from the annual intramural competition 'Rhapsody', Sports Club also collaborated with the organizers of Nagpur Marathon last year and demonstrated support towards Tobacco-free Nagpur, by ensuring participation of students in the marathon.

## Cultural **Club**

Abhyudaya, the cultural club of IIM Nagpur, is a platform to grow together by embracing the diversity in each of us separated by geographies and philosophies. The club aims to bring people of different cultures to participate and/or perform in unison, develop mutual respect and live in harmony.

## Toastmasters

Toastmasters International is a world leader in developing leadership and communication skills among people. IIM Nagpur facilitates exchange of ideas and empowers individual to become more effective communicator in line with TM's mission. We envision to leverage the platform of TMI through effective participation from young leaders at IIM Nagpur.

## Movies **club**

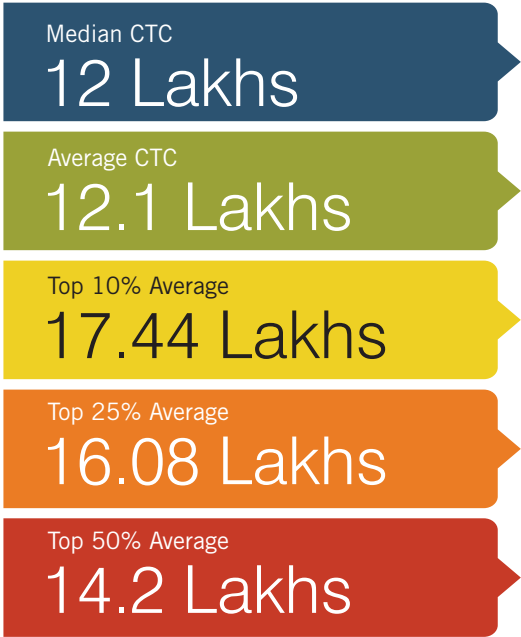

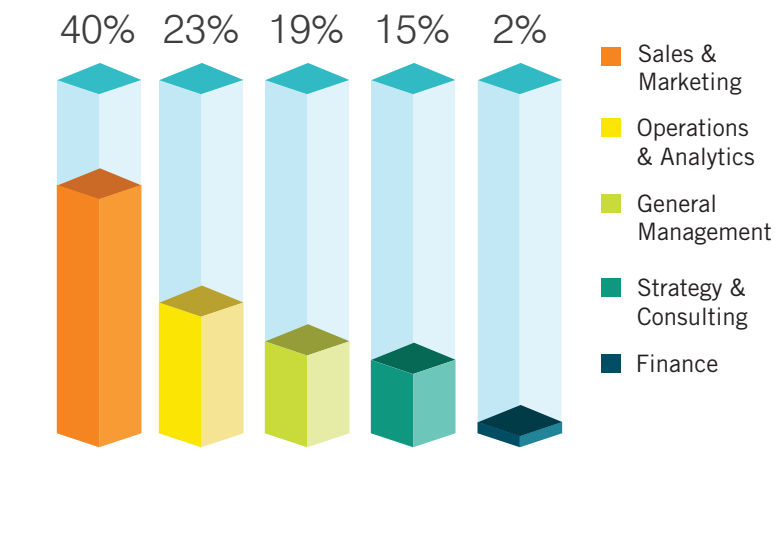

The main aim of this SIG is to learn through Entertainment. Each film helps us to explore different culture and, in the process, to know our own. Cineastes recognized this ability of the motion pictures and wants to provide a platform for screening and discussions to grow and learn in the process.

## Strategy & Consulting **Club**

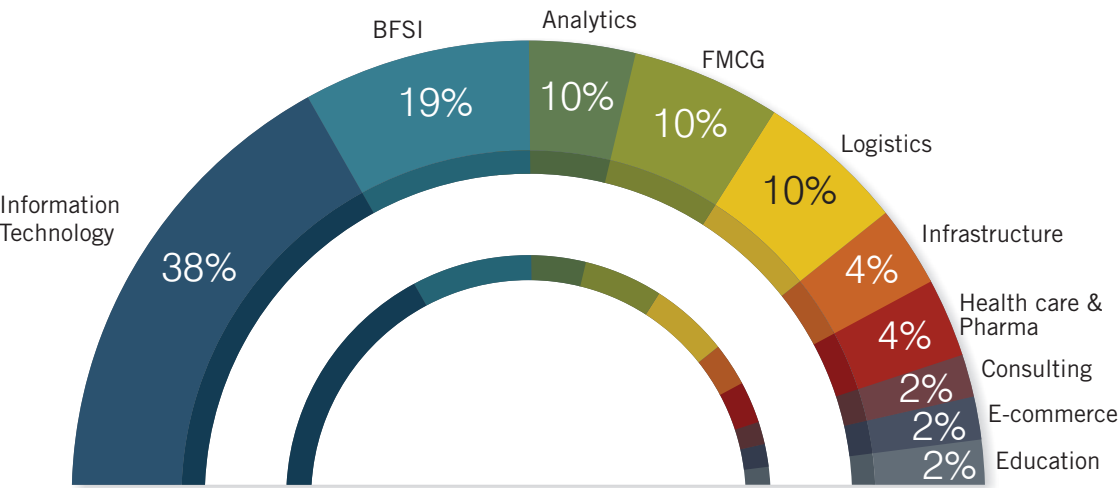

StrategizeIT - Strategy & Consulting SIG of IIM Nagpur aims to build a philosophy among the students to understand the different strategies adopted by organizations as well as to gain awareness about the industry as a whole. We will attain this through interaction with the industry experts via guest sessions, monthly newsletters and workshops.

- Diksha also participated in the NASA's space settlement design competition in 2009 and was awarded first position among 203 teams from all around the world.

### BHUSHAN PRAKASH BAMANE

**Under graduation Stream :** B.E.  
**Undergraduate Specialization :** Chemical Engineering  
**Work Experience in months :** 0  
**Workex Firms :** Fresher

- Bhushan is a gold medallist in Post Graduate Diploma in Process Engineering.
- He has a green belt in lean six sigma, certified by KPMG, India.
- He has qualified GATE (2016) in Chemical Engineering and pursued Masters in Chemical Engineering (M.Chem) from Institute of Chemical Technology, Mumbai.

### SRIPARNA BANERJEE

**Under graduation Stream :** B.Tech.  
**Undergraduate Specialization:** Instrumentation and control Engineering  
**Work Experience in months :** 43  
**Workex Firms :** Infosys Ltd.

- She is a JAVA Developer and handled several clients while working in Infosys.
- Certified in C and C++ from NIIT, interned in NTPC and also went through training in PLC.
- Fond of singing, interior designing with interests in swimming and sketching.

### ANIRUDH DEWADA

**Under graduation Stream :** B.E.  
**Undergraduate Specialization :** BE Civil Engineering  
**Work Experience in months :** 0  
**Workex Firms :** Fresher

- He received an excellence trophy from CH Edge makers for receiving 11 IIM calls in CAT 2017.
- He is a certified autocad designer and has knowledge in blue print design using Autocad.
- He is a classical singer with preference in Hindustani songs.

### SHIVANI DONGRE

**Under graduation Stream :** B.Tech.  
**Undergraduate Specialization :** Computer Engineering  
**Work Experience in months :** 0  
**Workex Firms :** Fresher

- Shivani believes in the idea of sharing knowledge and experiences and has been a part of conferences like Havard-US India Initiative (HUII) and Tedx.
- She was among the top performers of the School in Class XII Board examination for which she received a scholarship under Innovation in Science Pursuit for Inspired Research(INSPIRE).
- She likes to do her part towards the society for which she participated in some of the social events during education.

### HARSHITA BANSAL

**Under graduation Stream :** B.Tech.  
**Undergraduate Specialization :** Computer Engineering  
**Work Experience in months :** 34  
**Workex Firms :** Infosys

- Harshita is a Microsoft certified professional in C# who worked proactively for the organization.
- She has been a consistent academic performer, a great team player and a dance enthusiast.
- A firm believer in holistic growth, she has been actively involved in organizing various events in college and hostel fests.

### SAURABH BHATIA

**Under graduation Stream :** B.Tech.

## About Nagpur

Nagpur, located at the heart of the country, has marked its presence as one of the fastest growing cities in India. Popularly known as the Orange City, Nagpur has shown tremendous growth in terms of infrastructure development attracting investments from different parts of the globe. MIHAN (Multi-modal International Airport and Hub at Nagpur) Project, said to be the largest infrastructure development in Asia, has put Nagpur on the world map. Soon-to-be the first large-scale integrated smart city of the country, Nagpur is easily accessible to all the major cities across the country. All the major highways and railways trunk routes pass through Nagpur, making it potentially the biggest logistics hub in India.

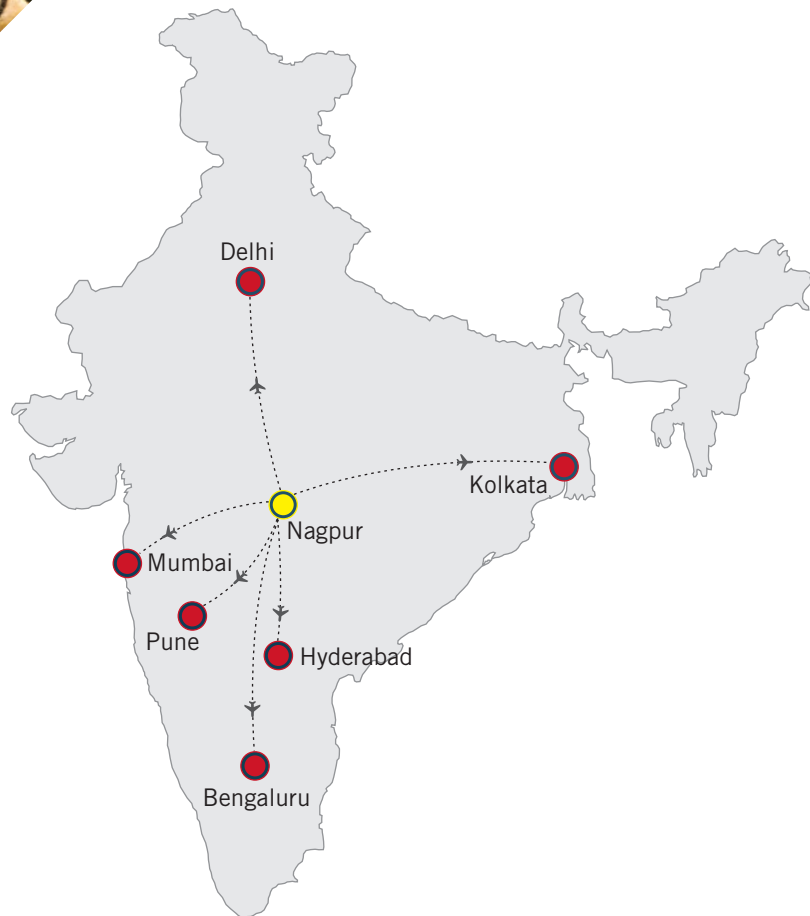

Nagpur is an educational hub in Central India which has attracted the Government's attention to setup premiere institutes in and around the city. Surrounded by five forest reserves, Nagpur attracts wildlife tourism and has been named as the 'Tiger Capital of India'. Surging industrial growth, fast-growing infrastructure, strong connectivity and best-in-class educational institutions are some of the key factors that make Nagpur one of the most sought after cities in the country.

## How to reach IIM Nagpur

Indian Institute of Management Nagpur campus, located in the lush green VNIT campus, is 6 km from Dr. Babasaheb Ambedkar International Airport and 7 km from the Nagpur Railway Station.

Well connected by Air, Road and Rail to all the major cities in the country, Nagpur has efficient public transport within the city like cabs, buses and the upcoming Nagpur Rail Metro.

The pre-paid taxi and cab aggregator services are available 24\*7 from both Airport as well as Railway station.
