About IIM NAGPUR

The Indian Institute of Management Nagpur (IIMN) was established in the year 2015 by the Ministry of HRD, Government of India, with an aim to facilitate a multi-faceted management knowledge generation and dissemination through ethical and value-based learning while catering to the needs of the emerging Indian economy. The institute started its operations under the mentorship & guidance of one of the most renowned management institutes in India, IIM Ahmedabad.

IIM Nagpur offers an exemplary on-campus learning opportunity that facilitates intensive participation and extensive teamwork through critical thinking and decision-making. Presently located in VNIT campus, the institute inaugurated its upcoming world class campus in the heart of Nagpur's MIHAN SEZ in the presence of its Hon'ble Chief Minister, Mr. Devendra Fadnavis. As a rapidly growing new generation IIM, IIM Nagpur is well poised for capacity and capability building among the students while also striving to meet global academic standards and nurture young leadership with its extensive use of case study methodology, industry visits, guest sessions, Field Immersion Module and classroom lessons.

The institute believes in sustaining a positive bias towards excellence in thought and action. It promotes lifelong learning through practices such as frugal innovation and entrepreneurial approach.

DIRECTOR'S MESSAGE

Greetings from IIM Nagpur!

The inception of the year 2020 began with a pandemic surrounding us all and stagnating an individual's regular life. For students across the country, this was the first time they moved to a virtual learning environment. As an emerging institution in the country's very heart, the Indian Institute of Management Nagpur prides itself on its focus on constant evolution in the pursuit of excellence. The Batch of 2020-22 manifests this sentiment in its dynamic & diverse nature and has rightfully adapted to the online learning mode, especially during the pandemic. The shift from physical classroom learning to virtual learning has enhanced the student's ability to adapt to the online way and has provided more avenues to connect with peers and the faculties to scale up their learning and thought process.

The batch contains an ideal mix of recent graduates and experienced students - with an overall average of 31 months of industry experience and a considerable proportion of fresh graduates. They comprise graduates from various academic backgrounds – Engineering, Commerce, Business Management, Chemical Engineering, and allied fields. Those with experience have worked in IT/ITES to Consulting, Manufacturing Technology, FMCG, Power, and BFSI. A young batch that averages 25 years of age, the class boasts of a cosmopolitan nature, with the students hailing from 23 states.

The students' association with IIM Nagpur ensures the highest standards of academic distinction. The demanding curriculum of the Post Graduate Programme equips the students with a comprehensive understanding of the corporate work environment. Mentored by outstanding faculty members with excellent research and teaching record, the students master the classroom fundamentals and develop a critical approach to apply them in actual business scenarios during their Field Immersion Module. While this module acquaints them with SMEs, government bodies, and NGOs working at the grassroots, the International Immersion Module in the second year exposes them to the global business environment. Students have visited Japan, Singapore, Dubai, France, and South Korea during this immersion program and imbibed valuable lessons. Their problem-solving skills are, therefore, honed on both the conceptual and practical fronts.

Excellence at IIM Nagpur is not limited to the curriculum alone. While some students have already forayed into research with international journals, others have ventured beyond course offerings to obtain credentials such as CA and Six Sigma. Students at IIMN have actively engaged in Corporate Competiton and have achieved the milestone in Microsoft GSMD B-School Engage, Meero Campus Challenge, MI Summit 2.0. The students have also made their presence in sports such as Chess, Archery, Football, Table Tennis, and Cricket at the State and National levels. Our current campus in the VNIT Nagpur premises provides a nurturing, self-sufficient ecosystem for the students to benefit from the best in management education and develop themselves as leaders capable of impacting management practice in any domain of their choosing. We anticipate our capabilities to grow by leaps and bounds with the completion of our 132-acre state of the art located in the heart of the industry hub at MIHAN permanent campus, where we hope to move in soon. Since our inception, five batches of IIM Nagpur have found fulfilling internship and placement opportunities from renowned companies and emerging startups. Our students have been placed in various functions, such as Marketing, Operations, Finance, Strategy, and Consulting. Our campus welcomes industry leaders for guest sessions, conclaves, and panel discussions throughout the year, sharing their experiences with them. We view this as a sign of the industry's confidence in the grit and the promise that our students exhibit.

I welcome recruiters and representatives from the industry to visit us and interact with the dynamic Batch of 2020-2022. I also wish our students a fulfilling professional journey ahead.

Dr. Bhimaraya Metri

Director, IIM Nagpur

FACULTY SPEAKS

Prof. Aruna Tatavarthy

What makes my students from PGP 2020-22 batch special and unique? One, they possess an extremely valuable trait - the willingness to persist for achieving high-quality output. They are not the ones who will settle down for anything just for the sake of ticking a few boxes. This makes engaging with them, especially as a faculty member, very intellectually fulfilling. Two, they have the awe-inspiring combination of humility and confidence. It is truly heartening to see such an attitude both among the fresh college graduates as well as those with substantial industry work experience. This humility - confidence amalgamation is clearly witnessed in the way they come together as a team for tasks that are beyond their core curriculum.

I am confident that organizations hiring graduates of IIM Nagpur would see the value of being associated with them not just in the short-term, but also in the long-term.

Prof. Monika Dhochak

The current batch of IIM Nagpur is highly diverse, dedicated, and motivated. I have had the privilege to interact with the batch of 2020-22 in the Financial Accounting course, and during our many engagements, they have demonstrated excellent problem-solving and managerial skills. The students often bring new insights and fresh perspectives to the case discussions, reflecting their boundless knowledge and industry exposure. I firmly believe that this highly competent group of students will prove themselves an asset to the organization and contribute significantly to the growth of the organization, which they will join in due course.

I wish them all the very best for their future endeavors.

Prof. Sesha Sai Ram Meka

I teach Financial Accounting for sections of PGP 2020-22 batch. My experience with students is that they are very inquisitive and diligent. Despite the challenges posed by COVID we are successfully able to take the course online.

I am, specifically, surprised by their coordinating skills in handling the assignments online.

I wish them all the best for their future endeavors.

Prof. Sayantee Jana

The batch hit by the pandemic at the very onset of their MBA journey, adapting to the new normal of online classes however, do not compromise with their zeal of learning. The enthusiasm of the students in class and eagerness to learn despite the hectic schedule and the demanding screen time every day, is commendable. Wish them good luck as they grow up to be well-rounded professionals and individuals.

Prof. Ankita Dash

Motivated, Committed and Passionate - describe the students of PGP batch of 2020-2022 the best. Apart from coming prepared to class, engaging in healthy discussion in class, and meeting deadlines which is expected of them, several students have gone the extra mile to make the learning process more productive like reading or listening to additional material on the topic of discussion, and solving extra practise problems to clarify concepts.

This shows initiative and diligence. Though a young bunch, they also seem good at harnessing their earlier work experience to understand the theory well. They are a practical lot who come up with very pertinent real-world examples and sometimes very creative ones too. Overall, they seem to enjoy learning which makes teaching a very pleasant experience.

I feel a lot of them have hallmarks of being very successful managers and entrepreneurs later in life.

I wish them all the best for the future.

PERMANENT FACULTY

Prof. Ankita Dash

ABOUT PGP

The Post Graduate Program (PGP) at IIM Nagpur offers a unique learning experience to its students with its innovative pedagogy involving case studies, field immersion and interactive classroom sessions, thus, breaking the barriers of conventional teaching and ensuring seamless flow of information. The rich and integrated approach allows the Institute to source the best knowledge available across the globe, be it the elite faculty from well-known B-Schools or the Industry Experts from different sectors around the world. Each year, we are adding new perspectives to managerial skills, projecting the Institute's assurance towards developing leaders with a view attuned towards fostering excellence.

We are proud to have a very inquisitive and talented pool of students who come from diverse academic backgrounds, out of which some have graduated from premier institutes of India and some have international exposure. Having an average work experience of 31 months, most of our students are well acquainted with corporate culture and policies, hence will prove to be an asset to the organizations they will get associated with.

Our students' strong association with cultural and sports activities further fosters unity amongst the batch. Enthusiastic involvement of students and faculties alike in various academic and cultural events, be it Ganesh Chaturthi, Eid, Onam, Diwali, Dussehra or Christmas leads to a campus life buzzing with vitality and spiritedness.

COURSES OFFERED

Students at IIMN experience a rigorous coursework over the two years. The program is divided into six terms and summer internship in-between the two years. Terms I, II and III have compulsory courses while electives are offered in Terms IV, V and VI of the second year.

- Mathematical Models for Managerial Decisions
- Comprehensive Tax Management (Business Taxation)
- Integrated Marketing Communication
- Financial Modelling
- Management Control Systems
- IT Consulting
- Foundations of Operations Excellence
- Creative, Critical & Design Thinking
- Enterprise Systems-ERP & Beyond
- The World Economy & India
- Capstone Business Simulation
- Holistic Strategy Implementation through Balanced Scorecard

FIELD IMMERSION

IIM Nagpur distinctly captures the identity of being the first B-School to introduce the 'Field Immersion Module'- an innovative platform for Industry-Student Interaction. For about 3 weeks, the students apply their classroom learning in real-life scenarios at MSMEs and NGOs including government, agricultural & environmental organizations. This opportunity gives the students hands on experiences of organizational challenges, strategies driving different organisations and industry specific insights.

At the same time, organisations get a chance to involve fresh minds and perspectives in their quest for achieving excellence. While imbibing the practices & culture of the organization, our students in groups perform various levels of analysis for achieving a predefined objective. They apply their managerial skills and expertise in varied projects including but not limited to identifying control deficiencies & probable risk factors, re-defining standard operating procedures, formulating divisional strategies, increasing resource utilization & conducting market research that help organizations in consequential decision making. This program thus makes Vidarbha a direct beneficiary of the students' expertise as well as a medium for students to showcase their managerial potential.

INTERNATIONAL IMMERSION

Alongside its first of a kind Field Immersion Module, IIM Nagpur has also introduced 'International Immersion Module' as an elective course in term 5 of its flagship PGP curriculum. The objective of the module is to broaden the horizon of the students from a national to a global perspective. As a part of this module, field visits are arranged for students to countries like Japan, France, Singapore, South Korea and UAE. Students visit key industrial touch points with sessions from top corporate professionals. To enhance the learning from this module, academic sessions from world renowned academia based out of these locations are also conducted wherein students are given a broad overview of the country's economy, culture and prevalent developments.

At the same time, students are given the opportunity to explore cities and communicate with the local population to understand the socio-cultural nuances of those respective countries. At the end of the module the students are required to make presentations about their learnings both from cultural & business perspectives. And also about different business practices and values that can be inherited and the business opportunities that those countries might have to offer keeping in mind the current business scenario & the needs of the respective populations.

ILLUME - 4.0

IIM Nagpur organised its fourth industry-academia interaction meet – ILLUME'20, IIM Nagpur's Annual Flagship Event in January 2020 aimed at harnessing industry experience and to nurture relationship between the industry and the Institute. The event witnessed participation from eminent industry leaders across various sectors including organizations such as TVS Motors, HTC Sports Pvt Ltd, eKosh Finance to name a few. The central theme for this year's event was "Innovating to mainstream sustainable development for businesses". The experiences, inspiration and learnings from previous summits encouraged the institute to plan this year's event with much grandeur and value-addition.

Prominent Speakers

❖ MR. AMIT SAXENA

Founder and CMD,
eKosh Finance

❖ MR. ISH ANAND

CEO at HTC Sports Pvt Ltd / Basket Ball
International League / Business Doctors

❖ MR. SUDARSHAN VENU

Joint Managing Director of TVS Motors

UTKARSH - 2K19

IIM Nagpur organized its First Flagship HR Conclave UTKARSH - 2019 with HR stalwarts from diverse industries such as FMCG, Manufacturing, Education, FMCD, Retail, Automotive, Telecom, Fintech, IT Consulting, Engineering and Infrastructure.

These prominent industry leaders from the recruitment and learning & development domain have helped the students understand the evolving roles and responsibilities of organizational workforce in the face of technological disruptions and maturing industrial competition.

The event spread over four sessions, wherein the guest speakers gave their insights on the topics, after which a panel discussion and Q & A session followed. The topics for the sessions were:

SESSION I

'Women at Workplace: Leveraging & Valuing Differences'
- The session sensitized the students on gender diversity at workplace and delved upon fine details in the work culture, which could be readily optimized to achieve significantly higher work efficiency by diverse groups.

SESSION II

'Automation & AI: Leveraging Technology for Business Value Creation' - The session highlighted how technology would help to rethink the work architecture and new opportunities to organize work more effectively and to redefine the workforce's skills and careers.

Prominent Speakers

Clubs & Committees

Committees

Alumni Committee

The Alumni Committee of IIM Nagpur is a student-driven body, established in 2018, to foster and sustain this ever-strengthening bond between our esteemed alumni and the Institute. The purpose of the committee is to provide a platform that enables students to learn from the alumni, through their experiences by giving them the stage to share.

With weekly interactive sessions under the banner “Alumnus of the Week”, the Committee arranges for an alumnus to speak on the contemporary topics of the week like choosing electives, summer internship experiences and industry relevance of the pedagogy. Moreover, through the official social media platforms, the Committee keeps alumni abreast of the latest events on campus & facilitates instantaneous feedback to improve the effectiveness in communications.

Community Outreach Committee

Ummeed is an initiative by IIM Nagpur which aims at spreading awareness about various social causes, sensitizing the minds of today's youth and developing a sense of social responsibility among them. It envisions to help and to empower the underprivileged and differently-abled through its unique and compassionate approach to social issues.

To this end, the club organizes events such as Blood Donation Drive, Donation Drive for slum dwellers, Teaching differently-abled kids, Cleanliness campaign, NGO visits, Women's day celebration in the campus among others.

Committees

Infrastructure Committee

Infrastructure committee has provided continuous support to all clubs and committees in dealing with all the infrastructure related issues ranging from accommodation to transportation of students, faculty and guest speakers.

Apart from these, we are working day and night to raise and resolve issues which students face during the day to day life related to hostel etc. We aim to provide world-class facilities to students and faculties through a proper communication channel to make their stay more comfortable.

Mess Committee

Mess-committee of IIM Nagpur is established with the vision of giving its students the authority to manage food services on the campus. The committee is firmly adhered to maintain quality, hygiene and good service throughout.

The responsibilities of the committee involve liaising between the administration and Service-provider on one side and students on other to address issues that students come across and to plan necessary actions accordingly. Despite the diverse demography of the batch, the committee ensures to serve varied range of cuisine to increase level-of-satisfaction in student-community along with a number of special dinner and events on various occasions.

Clubs & Committees

Academic Clubs

Analytics Club

The Analytics club of IIM Nagpur provides a platform for students to apply the knowledge on real-world solutions to enhance their skills.

The primary purpose of the club is to provide analytics knowledge and its applications in the real world to the future managers by involving students of IIM Nagpur.

The club has conducted various college and national level events, which includes quiz competition and case study challenge to propel the competitiveness of students. Also, Club has hosted many renowned industrial experts of the analytics domain as a part of a guest session series to guide students and enhance their analytical knowledge.

Finance Club

The Finance club of IIM Nagpur provides a platform for students to explore the different areas of finance domain and be able to apply their knowledge on real-world problems to enhance their skills.

The club has conducted various in-house and national level events like creating IB Pitchbook, Financial Budget 2019 analysis and Stockmind, which provided a virtual trading platform to get the close to actual feel of trading, etc. Also, the club has hosted many renowned executives in the industry, who gave insights about the current industry trends, opportunities and challenges and hence, helped in bridging the gap between academia and industry.

Academic Clubs

HR Club

The HR SIG is the newly formed SIG at IIM Nagpur which aims to provide an in-depth understanding of Human Resource Management (HRM) through industry interaction and knowledge enhancement.

The HR SIG plans to conduct various activities and competitions which will ensure interactive learning of different aspects of HRM. The SIG will enable HR enthusiasts to learn from industry professionals through various guest sessions and workshops.

They will work in tandem with other clubs in the institute to explore the organizational aspect of different areas. The SIG also shares periodic newsletters and articles to spread awareness about the recent trends in HR.

Marketing Club

MarX, the marketing club of IIM Nagpur, through club activities aims at connecting marketing concepts to real-world applications and being a resource for students looking to pursue a career in Marketing.

To achieve this twin objective, the club has conducted national events consisting of an ad-making competition - AdWise 3.0, and two case-study event which tested formulation of marketing strategy, namely Marketing Crusader and Marketing Blitzkrieg.

The club also conducted an in-house event which compelled students to apply Guerilla marketing concepts, practically. With an aim to connect industry and academia to bridge the gap between the two, the club got a privilege to host guest sessions by various industry experts.

Clubs & Committees

Academic Clubs

Operations Club

OPEX, the operations club at IIM Nagpur strives to foster students' interest in Operations and Supply Chain Management. During the academic year 2018-19, the club organized events like Op-Tde 2.0 - Induction event. Similar events like Op-Wiz, Maze-X etc. had been organized by the club which were met with remarkable vigor and enthusiasm. Through these events, the club has tried to engage students and align their interests towards Operations Management and SCM. The club currently has members from diverse backgrounds who bring valuable industry experience. OPEX also organized various guest sessions on an interactive forum with industry stalwarts to discuss industry paradigms and relevant problems. Guest sessions also focused on sensitive topics like Green Supply Chain. The sessions intend to bridge the gap between classroom learning and practical application in the field of operations.

Strategy & Consulting Club

Eques, the Strategy & Consulting Club, being the youngest club of IIM Nagpur and with great aspirations, wishes to become the most sought-after club of the college in terms of spreading and gaining knowledge and skills.

It is the most diverse club in terms of industry experience with members. Eques enables the environment to learn from each other and to augment their knowledge in terms of strategy & consulting. Eques publishes monthly newsletters for the students covering the intricate aspects of an industry, to develop an understanding of that sector.

They conduct case competitions and guest sessions to give students a chance to develop their consulting skills and bringing industry exposure.

Non-Academic Clubs

Cultural Club

Culture is an important part of our lives. It influences our views, values, humor, hopes, loyalties, worries and fears. So when we are studying or working with people and building relationships with them, it helps to have some perspective and understanding of the varieties of cultures.

Abhyudaya, the cultural club of IIM Nagpur, since its inception has worked to enhance cultural awareness, self-awareness, and innovative thinking by conducting team building events and celebrating festivals with grandeur on the campus. The club always strives to add vibrancy to the campus life of IIM Nagpur.

E-Cell

E-Cell proactively seeks to engage with the industry to inculcate in students the entrepreneurial mindset, create networking opportunities and avenues to help fledgling entrepreneurs with their business ventures. Staying true to this spirit, E-Cell conducted the first edition of its flagship event, Entro-Mile, a startup conclave.

It successfully helped create opportunities for entrepreneurs and students who pitched their ideas to seasoned investors and industry stalwarts.

Apart from this, E-Cell conducted guest sessions graced by founders engaged in the social sector, cross-border e-commerce to online retail sector. These associations have helped students engage with multiple startups through live projects.

Clubs & Committees

Non-Academic Clubs

Media & PR Club

The Media and PR Club of IIM Nagpur is responsible for building, maintaining and enhancing 'Brand IIM Nagpur'. Some of the key activities that the Club executes across the year start with 'City Meet', an effort to connect with CAT aspirants to share the taste of IIMN culture, curriculum and life.

The club handles IIM Nagpur's presence across social media handles and maintains the relationship with all stakeholders by facilitating institute's online as well as print media presence. Merchandising, functioning as an official communication channel during PGP admissions and branding are other critical roles within the club's forte.

Movie Club

Cineastes conducted events like "Intern of the Year," where the focus was on converting the abstract concept of popularity for monetary conversion.

Another Event was "CineMaestro," an all India event where students showcased their movie making skills and made a short film on the theme "The General Election 2019". We also showcased various movies and documentaries to the students and faculty of IIM Nagpur. We conducted events like "BaatCheet", a movie discussion platform where we discussed the impact of movies like "Period.End of a Sentence".

We also conducted "Oscar Frenzy" where the participants had to bet and predict the 91st Academy Award Winners in various a categories.

Non-Academic Clubs

Toastmasters Club

Toastmasters IIM Nagpur club leveraged the well-defined base of Toastmasters International, by introducing innovative formats like sales pitch, round robins etc as part of its regular meetings to enhance the communication and leadership skills of the batch.

The 30 member Toastmasters IIM Nagpur club, conducted two club contests and the winners represented the IIM Nagpur club in area level international speech contest.

The club officers initiated the training series as part of development of public speaking, evaluation as well as group discussion skills under the guidance of industry leaders of toastmasters communit.

Sports Club

Sports Club of IIM Nagpur acts as a medium for busting the stress of the students by facilitating them with various sports equipment and organising events like Intra-College Sports Fest "Rhapsody" and "War of Sections".

It acts as a mentor which helps the participants to pour out their talents and enthusiasm on various sporting stages. Here in IIM Nagpur, one can demonstrate the fitness and zeal in sports by participating in "Nagpur Marathon", as well as, can judge their sporting skills by participating in the Inter College Tournaments of Football and Cricket.

FINAL PLACEMENT REPORT

PGP 2018-20

IIM Nagpur has completed the Final Placements process for the fourth batch of its flagship Post Graduate Programme in Management. Despite double the batch size as compared to the previous batch of 2017-19, this year also IIM Nagpur achieved 100 per cent placement two weeks earlier, as compared to last year.

The final placement process witnessed 50+ recruiters. Consulting, followed by Engineering Services, ITES and BFSI recruited more than 79 per cent of the batch.

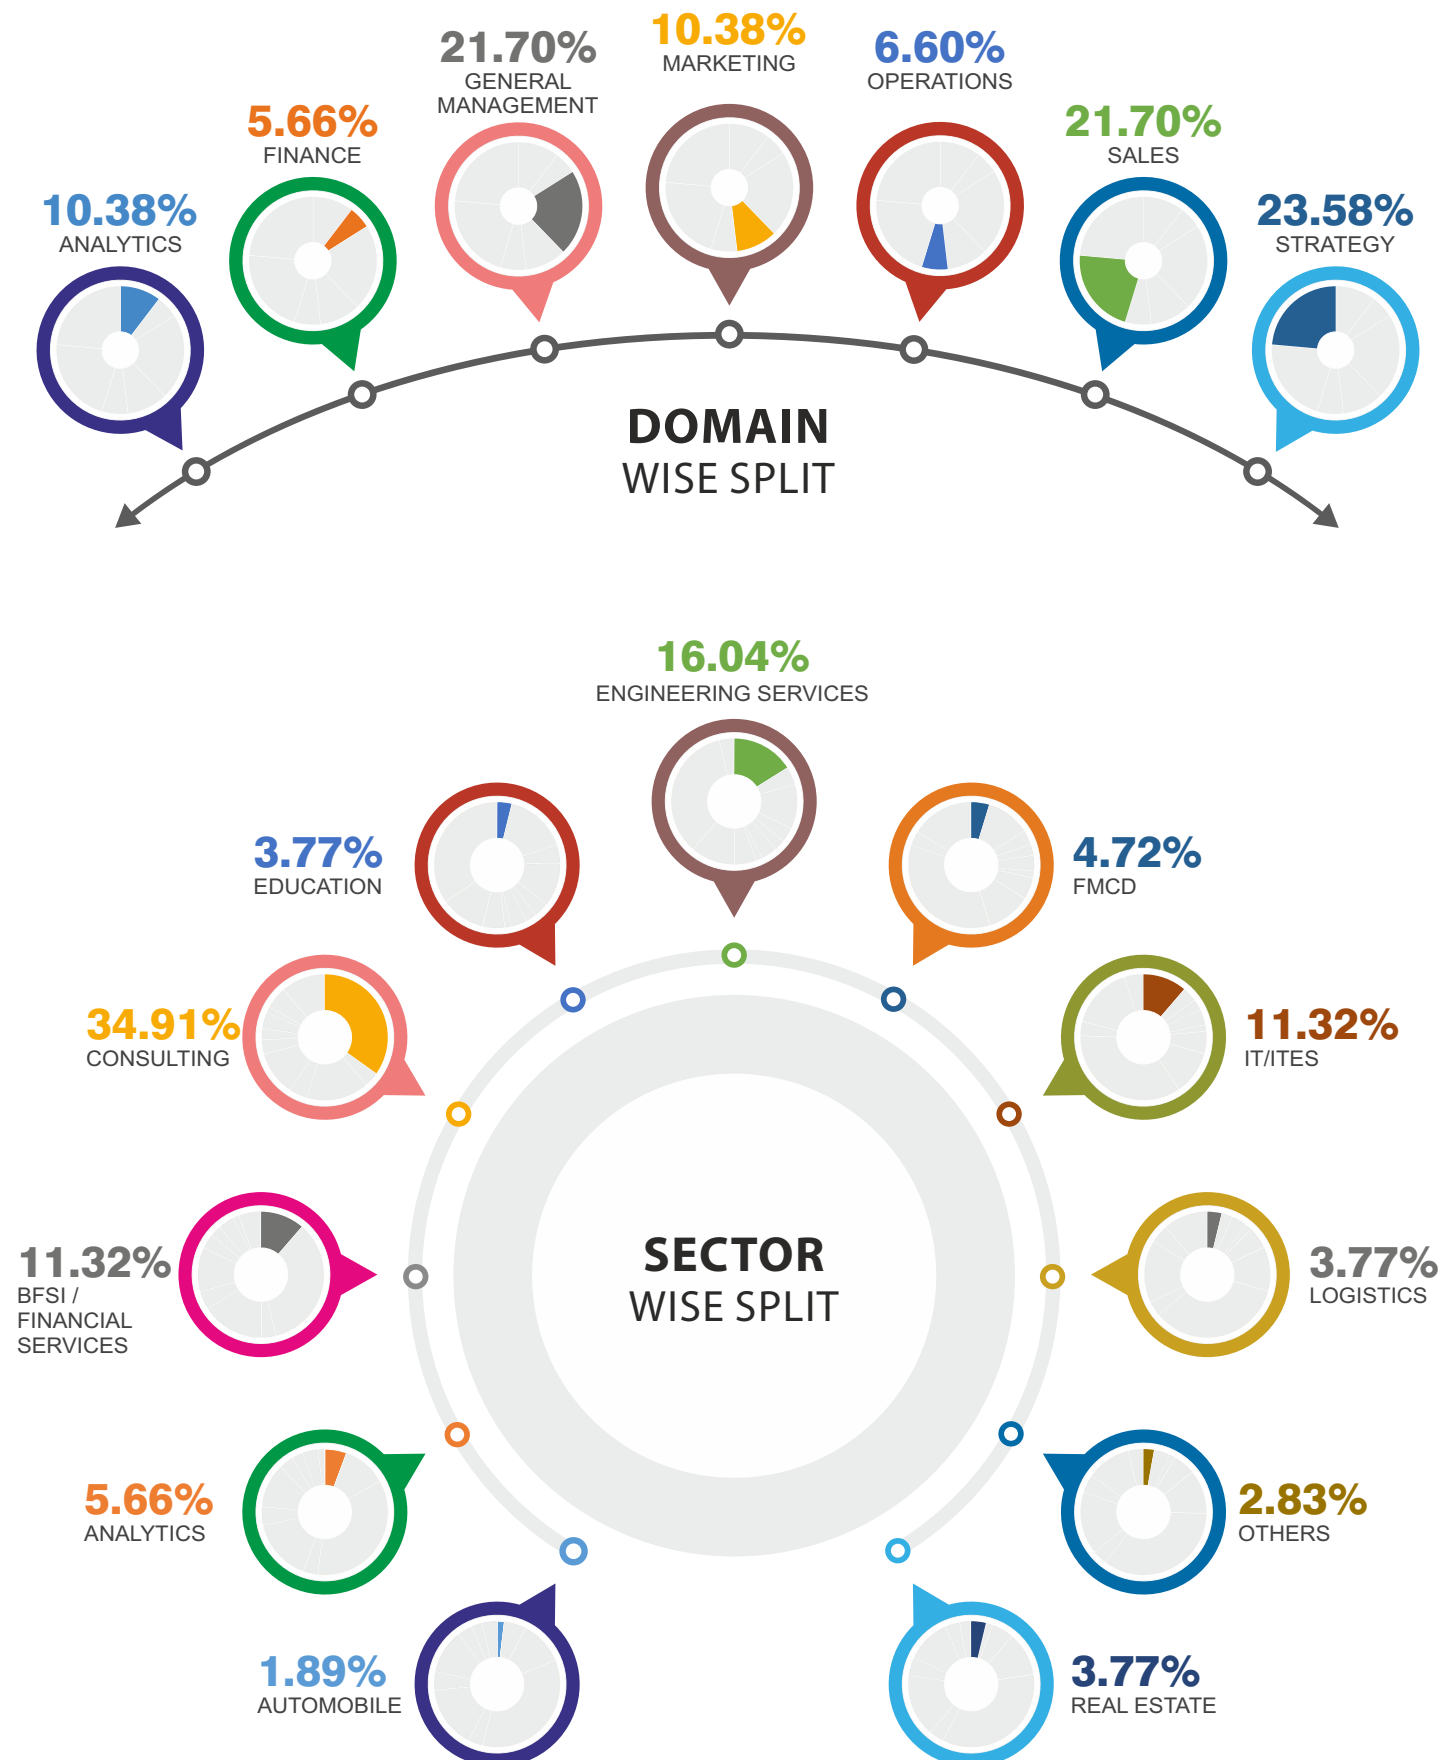

Key participating organizations this year included Deloitte Consulting, Amazon, JLL, BNY Mellon, ThyssenKrupp, MuSigma, Vguard, Tata Power, DHL, Genpact, ANZ Bank, Hexaware Technologies, TechMahindra, Wipro Digital, TVS Motors, Kotak Mahindra, HCL Technologies, L&T Realty, Sutherland Global and many others. Strategy, Sales and Marketing, General Management and Operations were the most sought-after roles, closely followed by analytics and finance among students.

KEY HIGHLIGHTS

- ❖ The number of PPOs offered to the batch of 2018 - 20 more than doubled over the previous year.
- ❖ There was increase in average package for top 10 percent and 25 percent batch by 23 percent and 14.49 percent respectively.
- ❖ The average package has increased to 13.13LPA as compared to last year's 12.41LPA
- ❖ There was a 100% increase in the highest package offered from the last year.

Upcoming Permanent Campus at **MIHAN**

The permanent campus of IIMN is being constructed at Dahegaon Mauza, MIHAN, 9 km from the Dr Babasaheb Ambedkar Nagpur International Airport.

Built to cater to 600 students, the new 132-acre-campus has been designed to minimize the environmental footprint while facilitating learning both inside and outside the classroom. The campus will be developed in three phases.

Phase 1 covers approximately 60,000 sq. m of the site, and includes the construction of a state-of-the-art academic complex, library, administrative block, student hostels, sports complex and faculty housing. The campus will also house a Management Development Centre for the institute's Executive Education Programme (EEP) and IIM Nagpur's entrepreneurship incubation centre, InFED, in addition to allied infrastructure.

About Nagpur

Nagpur, located at the heart of the country, has marked its presence as one of the fastest growing cities in India. Popularly known as the Orange City, Nagpur has shown tremendous growth in terms of infrastructure development attracting investments from different parts of the globe. MIHAN (Multi-modal International Airport and Hub at Nagpur) Project, said to be the largest infrastructure development in Asia, has put Nagpur on the world map. Soon-to-be the first large-scale integrated smart city of the country, Nagpur is easily accessible to all the major cities across the country. All the major highways and railways trunk routes pass through Nagpur, making it potentially the biggest logistics hub in India.

Nagpur is an educational hub in Central India which has attracted the Government's attention to setup premiere institutes in and around the city. Surrounded by five forest reserves, Nagpur attracts wildlife tourism and has been named as the 'Tiger Capital of India'. Surging industrial growth, fast-growing infrastructure, strong connectivity and best-in-class educational institutions are some of the key factors that make Nagpur one of the most sought-after cities in the country.

How to reach IIM Nagpur

Delhi
1,078.6 km

Mumbai
815.7 km

Pune
713.4 km

Bangalore
1,089.6 km

Hyderabad
500.6 km

Kolkata
1229.0 km

Indian Institute of Management Nagpur campus, located in the plush green VNIT campus, is 6 km from Dr. Babasaheb Ambedkar International Airport & 7 km from the Nagpur Railway Station.

Well connected by Air, Road & Rail to all the major cities in the country, Nagpur has efficient public transport within the city like cabs, buses & the upcoming Nagpur Rail Metro.

Pre-paid taxi & Cab aggregations are available 24*7 in Nagpur.
