🗨️ 0

On Friday, the **Indian Institute of Management in Nagpur** declared that with the consulting and IT firms offering a maximum number of jobs to its graduating students, it has achieved **100% placement** for the outgoing batch. The average salary package received this year was Rs 13.21 lakh per annum.

Top Recruiters at IIM Nagpur

Recruiters from various sectors are welcomed by IIM Nagpur. In this year's final placement, the top recruiters were **Bain & Co., Tata power, DHL, Deloitte, Accenture, BNY Mellon, Arcelor Mittal, TVS Motors, ZS Associates, L & T InfoTech, HCL, and Crompton Greaves**. The most sought-after sectors were Consulting and IT which was followed by BFSI and consumer goods sectors, with more than 60% of the batch opting for companies in these sectors.

Huge Compliment of The Director of IIM Nagpur

Professor (Dr.) Bhimaraya Metri, Director of IIM Nagpur is very happy with the achievement. He expressed his heartfelt thanks to the faculty of IIM and also to the recruiters. He said, **"IIM Nagpur has yet again distinguished itself by successfully securing 100% placements for the batch of 2019-21- despite the uncertainty resulting from the pandemic.** Not only does this testify to the excellence in management education that our students receive at IIM Nagpur, but also to the agility with which the Institute has responded to the crisis- moving classes online, leveraging the virtual environment to connect with more industry experts, and ensuring that our curriculum evolves with the needs of the industry. We are grateful to our valued recruiters for their continued engagement with us".

- The 100% placements are due to the stellar performance of the students along with the extreme support from the administration. If the institute continues to do this kind of performance then IIM will achieve a place among the best institutes of India.
- The academic rigor and the training capabilities will get strengthened to a huge extent when the institute will move to its permanent campus. The students will also be benefitted from this move.
