▶ About IIM Nagpur

Established in 2015, the Indian Institute of Management Nagpur (IIMN) aspires to be a leading management institution that shapes management systems, policy and governance through high-quality education, research and industry engagement. Propelled by the pursuit of engaged scholarship, the Institute aims to create value-driven leaders and global managers with strong conceptual foundations and analytical approach, which helps them excel in diverse spheres – be it management, business, policy making, and public administration, to name a few.

IIM Nagpur's aim is to address the needs of a modern India; connecting aspirations and realities to attain benchmarks that are respected internationally. Our motto, सत्यं च स्वाध्याय प्रवचने च, that is, an inspired journey towards truth through individual reflection and collective discourse, propels our quest to bridge the gap between abstract knowledge and practice.

IIM Nagpur seeks to distinguish itself as an institution that promotes constant industry engagement of a 'problem-solving' nature. Executive Education, therefore, is an important thrust area for the Institute. With an array of programmes designed by a faculty body with a stellar record of research, teaching and industry engagement, the Executive Education programme at IIM Nagpur equips managers and executives with the capabilities to perform effectively in their current roles, and take up greater challenges through various stages of their careers.

IIM NAGPUR

▶ Director's Message

Dr. Bhimaraya Metri

Director, IIM Nagpur

“

With its unique advantages, IIMN is an exciting place to learn, grow and be the ‘champions of change’.

”

I take pleasure in welcoming you to IIM Nagpur (IIMN). IIMN was established in 2015 as the first of the third generation IIMs, by the Ministry of Education, Govt. of India. Its location in the Orange City, makes IIMN equidistant from the major metropolises – Delhi, Chennai, Kolkata, Mumbai – in terms of travel time by air. Since its inception, IIMN has attracted talented faculty members with commendable experience in research and teaching. Faculty members at IIMN are engaged in management consultancy, research, training and industry collaboration for creating and disseminating cutting-edge knowledge.

It's location at the very centre of industrial activity offers IIMN a natural advantage, enabling greater connections and partnerships with businesses across sectors in SEZ and MIDC designated zones. IIMN's unwavering focus on pioneering exceptional industry partnerships to lead the way in providing real-world experiences, prepares our programme participants for life - bringing 'corporate into classrooms' to hone relevantly skilled talent for the ever-evolving corporate world.

One of the first premier institutions in the country to seamlessly make the shift from physical to online over the past year, IIMN is well-equipped to conduct Executive Education Programmes (EEPs) for executives from public and private sector undertakings. Keeping the New Education Policy (NEP) 2020, digitalization and lifelong learning in mind, IIMN has launched online certificate programmes for skilling-reskilling-upskilling the executives in highly specialized areas of management. We anticipate that these programmes would enable executives to fully realize the opportunities ahead in a digitally disruptive world. With its unique advantages, IIMN is an exciting place to learn, grow and be the 'champions of change'. We welcome you to join our IIMN community of faculty, staff, students and alumni who are shaping the future of work.
