# Industry-academia conclave held by IIM Nagpur with elan

**T**he Indian Institute of Management Nagpur (IIMN) conducted the latest edition of its **industry-academia interaction** event '**Illume 5.0**' recently. The event, conducted annually

to facilitate dialogue between industry practitioners, students and academics, focused on '**Leadership in crisis**' as the theme for its fifth edition. IIMN director **Prof Bhimaraya Metri** gave the welcome address. Group executive president of Aditya Birla Group **Shiv Shivakumar** was the chief guest. He offered many examples of leadership in crisis – from the decisive actions of then-PM **PV Narasimha Rao** during the 1991 Indian economy crisis, to **Steve Jobs**' disruptive mindset that allowed Apple to return from the brink of bankruptcy. Other guests CEO of Panasonic India **Manish Sharma**, president of Nasscom **Debjani Ghosh** also spoke on the occasion. President and MD of Volvo Group, India, **Kamal Bali** was the chief guest of the valedictory function. The vote of thanks was proposed by **Fareed Ahmad Sheik**, president of students' affairs council of IIMN.
