100% summer placement for IIM-Nagpur students, highest stipend at Rs 2.50 lakh

2-3 minutes

This year also witnessed participation from many first-time recruiters making double-digit offers to the students. Several organisations have recruited the students for their premier internship program, the IIM said. (Express Photo/ Representational)

The average stipend in this season stood at Rs 60,953 and the highest at Rs 2.50 lakh which are higher by 12.7 per cent and 108 per cent respectively as against the last summer placement season, the institute informed.

This year, more than 100 recruiters across various sectors including FMCG (Fast Moving Consumer Goods), consumer durables, Edtech, E-commerce, analytics, consulting, BFSI (Banking, Financial Services, and Insurance), oil and gas, pharmaceutical, and real estate participated in the process.

This year also witnessed participation from many first-time recruiters making double-digit offers to the students. Several organisations have hired the students for their premier internship programme, the IIM said.
