

IIM NAGPUR

PLACEMENT BROCHURE

PGP 2020-2022

भारतीय प्रबंध संस्थान नागपुर
Indian Institute of Management Nagpur

Permanent Campus at **MIHAN**

The permanent campus of IIMN is being constructed at Dahegaon Mauza, MIHAN, 9 km from the Dr. Babasaheb Ambedkar Nagpur International Airport. Built to cater to 600 students, the new 132-acre-campus has been designed to minimize the environmental footprint while facilitating learning both inside and outside the classroom. The campus will be developed in three phases. Phase 1 covers approximately 60,000 sq. m of the site, and includes the construction of a state-of-the-art academic complex, library, administrative block, student hostels, sports complex and faculty housing. The campus will also house a Management Development Centre for the institute's Executive Education Programme (EEP) and IIM Nagpur's entrepreneurship incubation centre, InFED, in addition to allied infrastructure.

About IIM Nagpur

The Indian Institute of Management Nagpur (IIMN) was established in the year 2015 by the Ministry of HRD, Government of India, to facilitate multi-faceted management knowledge generation and dissemination through ethical and value-based learning, while catering to the needs of the emerging Indian economy. The Institute started its operations under the mentorship and guidance of IIM Ahmedabad.

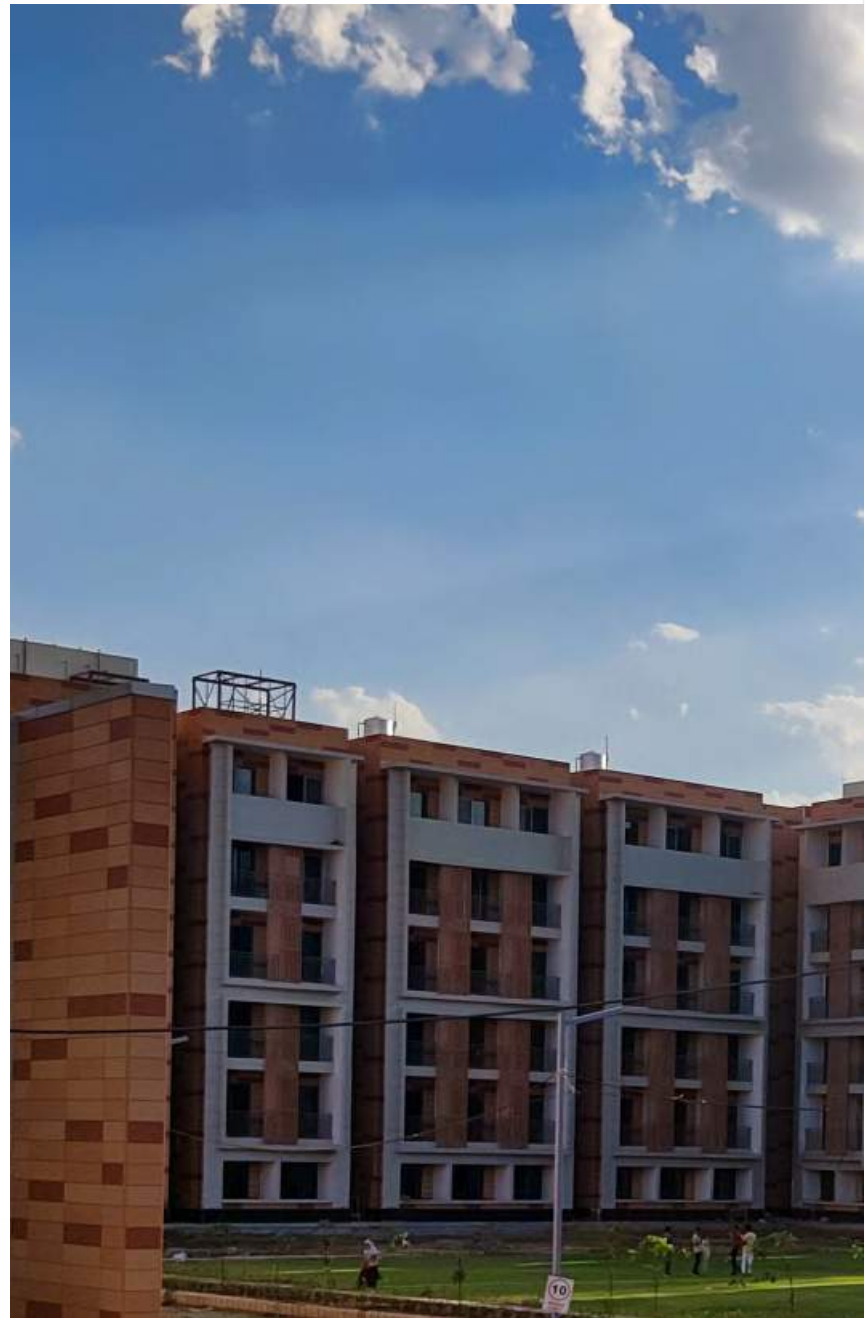

IIM Nagpur has completed its fifth year and is geared up to move to its world-class campus in the heart of the Multimodal International Cargo Hub and Airport at Nagpur (MIHAN), the groundbreaking ceremony for which was conducted in the presence of Union Cabinet Minister Shri. Nitin Gadkari, the then Hon'ble Chief Minister of Maharashtra, Shri. Devendra Fadnavis, and Guardian Minister for Nagpur, Shri. Chandrashekhar Bawankule.

IIM Nagpur is steadily carving its niche and outperforming other IIMs of its generation, ranking 40th in the Management Category in the National Institutional Ranking Framework (NIRF) 2020 announced by the Ministry of HRD, Govt. of India. In the five years since its inception, as a rapidly growing new generation IIM, IIM Nagpur has strived for excellence in on-campus learning opportunities that facilitate intensive participation and extensive teamwork through critical thinking and decision-making. The four batch-strong alumni network has been setting milestones in the corporate space.

IIM Nagpur has always strived for adaptability and has proven successful in staying in tune with ever-changing times, by making a move to digital platforms for online classes, online interviews, and guest sessions to serve the student fraternity during the challenges presented as a result of the pandemic this year.

The Institute is well poised for capacity- and capability-building among the students, striving to meet global academic standards and nurturing young leadership with its extensive use of case study methodology, industry visits, guest sessions, and classroom lessons. The Field Immersion Module and the International Immersion are some of the unique teaching techniques undertaken by the Institute to shape the students who are ready to face the everyday uncertainties of the business world.

The motto "Satyam cha svadhyayapravachanecha" reflects the Institute's belief in the constant striving for personal excellence as well as a collective quest and pursuit towards the continual unfolding of ever new vistas of higher/deeper realities. It promotes a positive bias towards excellence in thought and action and lifelong learning through practices such as frugal innovation and entrepreneurial approach.

Director's Message

The academic year of the 2020-22 batch started with a pandemic engulfing us all and immobilizing an individual's daily routine. It was the first time many students around the country had switched to a virtual learning environment. The Indian Institute of Management Nagpur, as a young institution in the heart of the country, takes pride in its commitment to continuous improvement in the pursuit of excellence. The dynamic and diverse nature of the batch of 2020-22 reflects this sentiment, and it has appropriately adapted to the online learning mode, particularly during the pandemic. The transition from traditional classroom learning to online learning has improved students' ability to adapt to the online environment and created more opportunities to engage with peers and faculty to accelerate their learning and thinking processes.

With an average work experience of 30.6 months and a significant proportion of new graduates, the class is a perfect combination of recent graduates and seasoned students. The batch consists of graduates from various disciplines, including Engineering, Commerce, Business Management, Chemical Engineering, and other related fields. The current batch has work experience in IT/ITES, Consulting, Manufacturing Technology, FMCG, Power, and Banking & Finance. The batch, which averages 25 years old, is cosmopolitan, with students hailing from 23 different states and union territories.

The students' affiliation with IIM Nagpur guarantees the highest academic quality. The Post Graduate Program's rigorous curriculum provides students with a thorough understanding of the corporate work environment. Students learn the classroom basics and cultivate a critical approach to incorporate them in real business situations during their Live Projects. Following their Summer Internships, their problem-solving skills have been honed on both the intellectual and practical levels.

IIM Nagpur's excellence extends beyond the classroom. At the same time, some students have already begun research with international journals, others have gone beyond course requirements to obtain credentials like CSCA (Certified Supply Chain Analyst), Lean Six Sigma, CFA, etc. Students at IIMN have actively engaged in Corporate Competition. They have achieved milestones in V-Guard Big Idea, Google Case Challenge, CFA Institute Research Challenge, Optum Stratethon, MCX-IPF COMQUEST, Microsoft GSKO B-School Engage, Meero Campus Challenge, MI Summit 2.0, FinShiksha Learning Championship, and many more. The students have also made their presence in sports such as Chess, Archery, Football, Table Tennis, and Cricket at the State and National levels. With the completion of our 132-acre state-of-the-art permanent campus in the heart of the industrial hub at MIHAN, we expect our capabilities to expand by leaps and bounds. Here, the ecosystem for students will help them best in management education and establish themselves as leaders capable of impacting management practice in any domain of their choice. Five batches of IIM Nagpur have found rewarding placement opportunities with renowned companies and emerging start-ups since the institute's inception. Marketing, Operations, Finance, Strategy, Consulting are only a few areas to name where our students have been provided job opportunities. Business leaders come to our campus for guest sessions, conclaves, and panel discussions to share their knowledge throughout the year. This, we believe, demonstrates the industry's confidence in our students' grit and ability.

I welcome industry recruiters and representatives to come to see us and meet the energetic batch of 2020-2022. I also wish our students the best of luck in their future careers.

Dr. Bhimaraya Metri
Director, IIM Nagpur

Faculty Speaks

Prof. Deeparghya Mukherjee

In a world of evolving possibilities, the role of a manager gets redefined with fresh challenges frequently. In a similar vein, management education has to keep equipping budding industry leaders of the future with the wherewithal to face up to the challenges and provide solutions for the future that lies ahead of them. At IIM Nagpur, the students of the 2020-22 batch have chosen to go through a career development path through the rigorous management education they have received over the last year and more. They are now ready to be an asset to any organization to which they wish to contribute to. The companies who choose to recruit our budding industry leaders would feel a positive difference and I wish them all the best.

Prof. Aruna Tatavarthy

What makes my students from PGP 2020-22 batch special and unique? One, they possess an extremely valuable trait - the willingness to persist for achieving high-quality output. They are not the ones who will settle down for anything just for the sake of ticking a few boxes. This makes engaging with them, especially as a faculty member, very intellectually fulfilling. Two, they have the awe-inspiring combination of humility and confidence. It is truly heartening to see such an attitude both among the fresh college graduates as well as those with substantial industry work experience. This humility-confidence amalgamation is clearly witnessed in the way they come together as a team for tasks that are beyond their core curriculum. I am confident that organizations hiring graduates of IIM Nagpur would see the value of being associated with them not just in the short-term, but also in the long term.

Prof. Danesh Gojer

It is with great pride and pleasure that I take this opportunity to write about IIM Nagpur 2020-2022 class. This class with exception represents an extremely fine, dedicated and very talented set of students.

My teaching experience with this batch has been nothing short of extraordinary. In addition to having to deal with a very demanding curriculum and work load these students also had to adjust to a new learning environment as well as to the trauma and tension caused by the pandemic. However, they took all these challenges, hardships and obstacles in their stride and throughout the year impressed me with not only the quality of their work but also with their continued dedication and enthusiasm.

Therefore I have no hesitation in stating that I believe they will both very positively contribute to as well as actively learn from any organisation they intern with.

Best of luck!

Prof. Monika Dhochak

The current batch of IIM Nagpur is highly motivated and dedicated towards their career growth. I have had the pleasure and privilege to interact with the batch of 2020-22 in the Financial Accounting and Management Accounting core courses, and during our many engagements, they have demonstrated excellent problem-solving and managerial skills. This diverse group of students often bring new insights and fresh perspectives to the case discussions, reflecting their boundless knowledge and industry exposure. I found the batch very inquisitive, sincere and excited to learn new and unfamiliar topics. I firmly believe that this highly competent group of students will prove themselves an asset to the organization and contribute significantly to the growth of the organization, which they will join in due course. I wish them all the very best for their future endeavors.

Faculty Speaks

Prof. Vishal Arghode

PGP 2020-22 batch students are respectful with an eagerness to improve their knowledge and skills. I have thoroughly enjoyed the class interactions and wish them success in their careers

Prof. Sayantee Jana

The batch hit by the pandemic at the very onset of their MBA journey, adapting to the new normal of online classes however, do not compromise with their zeal of learning. The enthusiasm of the students in class and eagerness to learn despite the hectic schedule and the demanding screen time every day, is commendable. Wish them good luck as they grow up to be well-rounded professionals and individuals.

Prof. Magesh Nagarajan

Agile, Confident and Smart.

The current batch has shown immense agility to adapt to changing circumstances due to Covid-19 and the demands of online learning environment. This batch has shown confidence by participating in co-curricular activities and clubs, while doing their first year PGP. With diverse levels of prior experience and highly talented pool of smart students, I am confident that they will be an asset and excel in their corporate careers.

Prof. Kartik Yadav

Due to the disruption in the 2020 academic calendar, the batch of 2020-22 had to embark on their MBA journey online. Aided suitably by the institute, the students managed to overcome all challenges and learnt how to make the most of online learning without compromising on their extracurriculars. I laud the students for their tenacity, resilience and creativity and I'm sure the lessons learnt during this difficult period will help them in their workplaces.

Prof. Saurabh Pandya

The batch of 2020-22 is a unique batch in many ways - they are the largest batch yet of IIM Nagpur, they had to manage their entire first year coursework online due to the pandemic and most of them have also navigated their summer internships online amidst a plethora of challenges. However, I believe each one of them has shown extraordinary patience, resilience and adaptability, which are skills generally not easy to develop. I am sure these abilities, alongwith dedication, multitasking, creativity, and innovative approach, which they have exhibited in ample measure during the classes, will go a long way in making them not just good managers, but also effective leaders, entrepreneurs and organizational citizens. I wish them the very best in their future endeavors.

About PGP

The Post Graduate Program (PGP) at IIM Nagpur offers a unique learning experience to its students with its innovative pedagogy involving case studies, field immersion and interactive classroom sessions, thus, breaking the barriers of conventional teaching and ensuring seamless flow of information. The rich and integrated approach allows the Institute to source the best knowledge available across the globe, be it the elite faculty from well-known B-Schools or the Industry Experts from different sectors around the world. Each year, we are adding new perspectives to managerial skills, projecting the Institute's assurance towards developing leaders with a view attuned towards fostering excellence.

We are proud to have a very inquisitive and talented pool of students who come from diverse academic backgrounds, out of which some have graduated from premier institutes of India and some have international exposure. Having an average work experience of 26 months, most of our students are well acquainted with corporate culture and policies, hence will prove to be an asset to the organizations they will get associated with. Our students' strong association with cultural and sports activities further fosters unity amongst the batch. Enthusiastic involvement of students and faculties alike in various academic and cultural events, be it Ganesh Chaturthi, Eid, Onam, Diwali, Dussehra or Christmas leads to a campus life buzzing with vitality & spiritedness.

Courses Offered

Students at IIM Nagpur experience a rigorous course work over the two years. The program is divided into six terms and summer internship in-between the two years. Terms I, II and III have compulsory courses while electives are offered in Terms IV, V and VI of the second year.

First Year

TERM - I

- ❖ Quantitative Methods
- ❖ Managerial Communication – I
- ❖ Managerial Economics
- ❖ Marketing Management
- ❖ Financial Accounting
- ❖ Managing People and Performance in Organisations

TERM - II

- ❖ Understanding Entrepreneurship
- ❖ Corporate Finance
- ❖ Managing Organisations
- ❖ Managerial Communication – II
- ❖ Management Accounting

- ❖ Introduction to Strategy

TERM - III

- ❖ Business, Government & Society
- ❖ Research for Marketing decisions
- ❖ Management of Information Systems and Technology
- ❖ Operations Management
- ❖ Strategic Management
- ❖ Macroeconomics

Second Year

The tentative list of areas to choose electives for the second year are as follows

TERM - IV

- ❖ ELECTIVE 1
- ❖ ELECTIVE 2
- ❖ ELECTIVE 3
- ❖ ELECTIVE 4
- ❖ ELECTIVE 5
- ❖ ELECTIVE 6

TERM - V

- ❖ ELECTIVE 1
- ❖ ELECTIVE 2
- ❖ ELECTIVE 3
- ❖ ELECTIVE 4
- ❖ ELECTIVE 5
- ❖ ELECTIVE 6

TERM - VI

- ❖ ELECTIVE 1
- ❖ ELECTIVE 2
- ❖ ELECTIVE 3
- ❖ ELECTIVE 4
- ❖ ELECTIVE 5
- ❖ ELECTIVE 6

Strategy & Entrepreneurship

- ❖ Future of Work and Strategy
- ❖ Holistic Strategy Implementation through Balanced Scorecard
- ❖ Management Consulting
- ❖ Strategy in Action
- ❖ CSR & Sustainable Development
- ❖ International business
- ❖ Capstone Business Simulation

- ❖ Digital Marketing & E-commerce
- ❖ Marketing Semiotics
- ❖ Understanding Markets at the Bottom of the Pyramid
- ❖ Integrated Communication in the new omni-channel, omni-media world
- ❖ Paradoxes and Decisions: Building Consumer Decision Models 221B Baker Street

Decision Science & Information Systems

- ❖ Business Data Mining and Decision Models
- ❖ Business Process Simulation
- ❖ Advanced Analytics
- ❖ Managing ERP in digital age
- ❖ Location Analytics and Modelling
- ❖ Advanced data analysis
- ❖ IT Consulting

General Management

- ❖ IIP France
- ❖ IIP Singapore
- ❖ IIP Dubai
- ❖ IIP South Korea

Field Immersion Program

IIM Nagpur distinctly captures the identity of being the first B-School to introduce the 'Field Immersion Module'- an innovative platform for Industry-Student Interaction. In 4-5 weeks, the students apply their classroom learning in real-life scenarios at MSMEs and NGOs including governmental, agricultural, environmental organizations. This opportunity equips the students with the understanding of how the organizational challenges are captured and how different strategies are put into effect, to confront those. Through this program, our students also become an important contributor in refining different processes involved in the organization. While imbibing the practices & culture of the organization, our students in groups perform various levels of analysis to streamline the organization's processes. They apply their managerial skills and academic expertise in identifying control deficiencies & probable risk factors, structuring standard operating procedures, formulating divisional strategies, increasing resource utilization and conducting market research that help organizations in further strategic decision making. This program thus aims to give back to the small business communities at various parts of Maharashtra.

International Immersion Program

IIM Nagpur offers an intensive 'International Immersion Module' as an elective in term 5 of the curriculum. The objective of the module is to broaden the horizon of the students from a national to a more global focus. As a part of this module field visits have been arranged for students in countries like Japan, France, Singapore, South Korea and UAE. Students will be visiting key industrial touch points with sessions from top corporate professionals planned. To enhance the learning academic sessions from world renowned Academia based out of these locations are also in the pipeline. The students will also be given the opportunity to explore the city and communicate with the local population to understand the sociocultural nuances of each country.

At the end of the module the students are required to make a presentation about the business opportunities in the country keeping in mind the current business scenario and the needs of the people of the visited country.

VIHAAN

LEADERSHIP WEBINAR SERIES 2021

30+ SPEAKERS | 1 PLATFORM | LEARNINGS | INSIGHTS | EXPERIENCES

IIM Nagpur concluded its maiden Leadership Webinar Series - Vihaan with participation from over 20 prominent leaders from various industrial sectors. The focus of the online sessions was to provide students a first-hand experience of the Covid-19 impact on various businesses as well as its effect on skillsets and workplace dynamics. Vihaan featured highly interactive sessions from around the globe and provided the batch of students with much-needed guidance and a sneak peek of the evolving strategies of successful businesses across industries.

ILLUME 5.0

The Indian Institute of Management Nagpur (IIMN) organized its fifth, annual flagship Industry-Academia Summit - 'ILLUME 5.0' during the month of February 2021. Building upon the past editions of Illume, ILLUME 5.0 sought to harness the industry experience and nurture the relationship between the industry and IIM Nagpur.

Our line-up of speakers this time included CEOs and senior leadership from renowned organizations like Panasonic, Daikin, the Volvo Group and Nasscom. We also had the honour of hosting Mr. Shiv Shivakumar, Group Executive President - Aditya Birla Group as the chief guest for the event.

The event witnessed participation from eminent industry leaders across a variety of sectors, as well as other distinguished guests and the entirety of the IIM Nagpur Fraternity. It was also the first time that Illume was conducted online and was live streamed on YouTube as well.

The central theme for this edition of Illume was 'Leadership during a time of Crisis'. The speakers dwelled upon a few of their experiences and learnings that they have accumulated over the years. In particular, the anecdotes shared by the speakers as they reminisced on some of the past crises that each of them had overcome enthralled the audience. All in all, it was an invaluable experience for the audience, with lessons that will serve us in good stead for many years to come.

Our experience with Illume 5.0 was truly memorable and has ensured that the tradition of Illume will continue illuminating and inspiring young minds for many more years to come.

SESSION I

"We can never be prepared fully for anything and COVID proved it again!"

The Industry Leaders from the Oil and Gas Industry discussed how they dealt and adjusted with COVID. They focused on how technology is rapidly spreading its wings across every sector, domain, and industry. Human Resource Management is not just affected by it, but has also adapted to serve the nation better during the pandemic.

SESSION II

"People are at the core and will be at the core of the organization"

Leaders from the Metals and Mining industry highlighted the role of technology in HR and the way forward to retain talent. One of the most challenging roles during the COVID time has been that of an HR. Ensuring the smooth run of operations while keeping the employees' morale high called for an exceptional amount of effort combined with necessary innovation and adaptation.

Clubs & Committees

Finance Club

FINesse, the finance club of IIM Nagpur, aims to provide a platform for the students to explore the different areas of the finance domain and apply their knowledge to real-world problems to enhance their skills. We also aim to equip the students with the latest trends and insights by publishing our weekly and monthly collaterals. To this end, the club has conducted various national-level events like the equity research challenge and creating the investment banking pitchbook challenge. The club has also conducted various in-house events like the Union Budget 2021 analysis and Trademania 2.0, a two-week-long live trading event, which allowed the student to experience live trading in a competitive scenario. The club also hosted many industry experts, who gave insights about the current industry trends and helped bridge the gap between academia and industry.

Students' Academic Body

Students' Academic Body is a student-elected body that works as an interface between the students and the academic administration. All matters pertaining to academic affairs are looked after by the PGP office together with the Students' Academic Body. The committee is responsible for conducting the elective subject's selection process, finalizing the subjects for all students, communicating with the PGP office and the faculties, acting as Course Representatives, facilitating academic projects for students, proposing seminars and workshops as per academic requirement and enabling students with required academic resources.

Operations Club

OPEX, the operations club at IIM Nagpur strives to foster students' interest in Operations and Supply Chain Management. During the academic year 2020-21, the club signed an MoU with ISCEA (International Supply Chain Education Alliance) and conducted the first-ever KPMG India's lean six sigma competency development workshop at the institute. Apart from this, events like Op-Expo, OpGrapho, Opmach, etc. conducted by the club were met with remarkable vigor and enthusiasm. Through these events, the club has tried to engage students and align their interests towards Operations Management and SCM. The club currently has members from diverse backgrounds who bring valuable industry experience. OPEX also organized various guest sessions on an interactive forum with industry stalwarts to discuss industry paradigms and trends to provide an enriching experience to the students of our institute.

Strategy and Consulting Club

Eques, the Strategy & Consulting club, being the youngest club of IIM Nagpur and with great aspirations, continues to be one of the most sought-after clubs of the institute that enables knowledge sharing and skill development. Eques facilitates a rich learning environment that helps students augment their knowledge in terms of strategy & consulting. Eques publishes newsletters to help students get in-depth industry insights and attempts to simplify unique strategies adopted by various businesses with the help of infographics. It aids students in acquiring knowledge on required tools & frameworks to help them understand business goals, risks, competition, and become better decision-makers. Through its industry leader guest session series "Strategy Talks" and annual conclave "Aalekh", it offers students the opportunity to learn from industry leaders and enhance their business outlook.

Analytics Club

The Analytics club of IIM Nagpur provides a platform for students to get insights on analytics and their application in the real-world scenario to learn and enhance their skills. The primary purpose of the club is to be a resource hub of analytics for students by conducting workshops, newsletters, events and sessions. The club has conducted inter-college and national level events, which includes Quiz, Analytics case study challenge, Dashboard and Excel competitions like Brain-a-lytics, Enigma and Excelsior to propel the competitiveness of students. Also, Club has hosted many renowned industrial experts of the analytics domain as a part of guest session and workshop series to guide students and enhance their analytical knowledge.

Marketing Club

MarX, the marketing club of IIM Nagpur, through club activities aims at connecting marketing concepts to real-world applications and being a resource for students looking to pursue a career in Marketing. The club also conducted an in-house event which compelled students to apply sales concepts practically. With an aim to connect industry and academia to bridge the gap between the two, the club got a privilege to host guest sessions by various industry experts. To achieve this twin objective, the club has conducted national level Marketing Fest INVICTA consisting of various events revolving around every sphere of marketing and two standalone case-study events which tested formulation of marketing strategy, namely Marketing Crusader and Marché.

HR Club

tHRive is the HR SIG at IIM Nagpur, which aims to provide an in-depth understanding of Human Resource Management (HRM) through industry interaction and knowledge enhancement. In the academic year 2019-20, the HR SIG organized various Intra and inter-college competitions like Triathlon 2.0, decipHR 1.0 & Prabhav, to name a few, ensuring interactive learning of different aspects of HRM. The SIG enables HR enthusiasts to learn from industry professionals through multiple guest sessions and workshops. The SIG also commenced the first-ever Podcast at IIM Nagpur, "HReflections," covering contemporary topics around people management. Along with this, tHRive also shares periodic newsletters and articles to spread awareness about the latest trends in HR.

Mess Committee

Mess-committee of IIM Nagpur is established with the vision of giving its students the authority to manage food services on the campus. The committee is firmly adhered to maintain quality, hygiene, and good service throughout. The responsibilities of the committee involve liaising between the administration and Service-provider on one side and students on the other to address issues that students come across and to plan necessary actions accordingly. Despite the diverse demography of the batch, the committee ensures to serve a varied range of cuisine to increase level-of-satisfaction in the student community along with a number of special dinners and events on various occasions.

Clubs & Committees

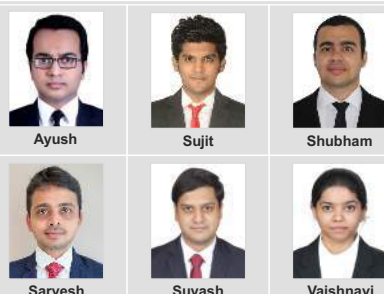

Infrastructure Committee

The Infrastructure Committee of IIM Nagpur has provided continuous support to all clubs and committees in dealing with all the infrastructure related issues ranging from accommodation to transportation of students, faculty and guest speakers. Apart from these, we work day and night to raise and resolve issues which students face during the day to day life related to hostel etc. We aim to provide world-class facilities to students and faculties through a proper communication channel to make their stay more comfortable.

Events Committee

The Events Committee, IIM Nagpur is tasked with the organization of all flagship events associated with the college while at the same time deepening the relationship between the industry and the IIM Nagpur fraternity. The committee, as part of its yearly roster of events, is responsible for conducting the latest edition of Illume, which is our flagship Industry-Academia Summit. The series acts as a bridge between the students and the current industry practices. It also facilitates TEDx IIMNagpur, a platform for pioneers and innovators from across the country to share their insights and experiences through individual discourses. The committee is also responsible for organizing IIM Nagpur's Cultural and Management Fest and other Events of importance within the IIM Nagpur sphere.

Community Outreach Committee

Ummeed, the community outreach club of IIM Nagpur, works towards creating an impact in society by spreading awareness about various social causes, sensitizing the minds of today's youth, and developing a sense of social responsibility. Working with different stakeholders on different fronts, Ummeed envisions helping and empowering the underprivileged and differently-abled through its unique and compassionate approach to social issues. In line with the vision, the club organizes events such as Blood Donation Drive, Donation Drive, Teaching differently-abled kids, Cleanliness campaign, Women's day celebration in collaboration with NGOs. The club also organizes case study competitions and events to encourage sustainable business solutions for prevailing social and environmental issues.

Alumni Committee

The Alumni Committee of IIM Nagpur seeks to continuously strengthen the 'Alumni-Institute' bond and keep our ever-growing IIMN family tightly knit. The committee operationalized the launch, and maintains the 'Alumni Portal', wherein the alumni share their knowledge, collaborate on City-Chapter pages, relay job opportunities with the current students/alumni, and also provide domain-specific guidance via interest groups. Apart from the existing initiatives, the committee also kick-started 'Mentorship Program', and 'Virtual Batch-meets' to supplement the continuous interaction opportunities between the alumni and the students. The committee actively stays in touch with the institute's treasured alumni base, promptly seeking opportunities to include them in college-related activities.

Clubs & Committees

E-Cell

E-Cell - The Entrepreneurship Cell of IIM Nagpur is the primary student body that strives to cater to the needs of aspiring Entrepreneurs as well as educate the student community about the latest happenings in the Startup Ecosystem. At E-Cell, we make available to the students the best of the resources any aspiring entrepreneur might need, while also giving students the opportunity to interact with other successful professionals from a variety of domains. Our yearly roster of events includes talks from prominent industry personalities as part of the E-Talks series, business pitching events like E-Knowlyse and Innowize, case study competitions like E-gnite and our annual entrepreneurship Conclave, Entro-Mile, among many others. E-Cell seeks to support the Startup Ecosystem in India by establishing a community of dedicated students, professors, investors, and industry experts.

Sports Club

The Sports Club of IIM Nagpur strives to promote physical and mental wellness among the students and facilitate a medium to relieve their stress through different sporting activities all around the year. The club provides platforms for students to showcase their sporting talent in events like the flagship Intra-College Sports Fest, "Rhapsody" and different inter-college tournaments. The club also organizes activities to encourage individuals to take up fitness activities through the "Fit India Campaign", walkathons, etc. The club plays a key role in the all-around development of the students and ensures that while having fun, students also inculcate values like team building, inclusion, perseverance and bonding.

Media & PR Club

Nexus, the Media and PR club of IIM Nagpur, works as the epicenter of the Institute's branding exercise. From creating and monitoring information on the official social media handles of IIMN, building Internal PR across the stakeholders through merchandise, yearbook, college magazine (Meraki), and more to helping B-School aspirants in accumulating accurate information and requisite Institutional guidelines, Nexus captures the entire spectrum of the Institute's presence. It also holds the responsibility of assisting new batches throughout the admissions process, right from appearing for CAT to their inductions at the beginning of the academic year. Being channelized by creative professionals, Nexus also assists the college in design-related activities. By facilitating the Institute's online as well as print media presence, the club holds the responsibility of building the IIM Nagpur brand.

Cultural Club

Culture is an indispensable part of our lives. It reforms our views, values, humor, hopes, loyalties, worries, and fears. It influences our perspective and understanding of both individuals and communities. So while we are a part of an association and building relationships with them, culture helps in enhancing our diversity and heritage as well as bringing out opportunities. Abhyudaya, the Cultural Club of IIM Nagpur, since its inception has worked to enhance cultural awareness, self-awareness, and innovative thinking by conducting team building events and celebrating festivals with grandeur on the campus. The club always strives to add vibrancy to the campus life of IIM Nagpur.

Toastmasters Club

The IIM Nagpur Toastmasters club in accordance with Toastmasters International, aims to provide positive learning and supportive environment resulting in enhanced communication and leadership skills through various innovative formats designed for self improvement, confidence and professional growth. The 45 member IIM Nagpur Toastmasters club, conducted two national events and two intra college events. The members of the club represented the fraternity by securing positions in various national debate and other B-school competitions. The weekly meetings, series of newsletter and various social media platforms aims to hone writing skills, solving managerial problems through case analysis, debate and group discussion skills. The communication and leadership guidance by industry experts through workshop and guest session helped the batch in their journey to become market ready leaders.

Movie Club

Cineastes conducted events like "Intern of the Year," where the focus was on converting the abstract concept of popularity for monetary conversion. Another Event was "CineMaestro," an all India event where students showcased their movie making skills. We also showcased various movies and documentaries to the students and faculty of IIM Nagpur. We conducted events like "BaatCheet", a movie discussion platform where we discussed the impact of movies like "Period. End of a Sentence". We also conducted "Oscar Frenzy" where the participants had to bet and predict the 92nd Academy Award Winners in various categories.

FINAL PLACEMENT REPORT

PGP 2019-21

FOREWORD

IIM Nagpur has completed the Final Placements process for the fifth batch of its flagship Post Graduate Programme in Management. With the largest batch of 121 students who appeared for the final placement process this year, IIM Nagpur once again achieved 100% placement on the 4th March 2021. The current batch, which was beset by an unpredictable year, successfully adapted to the virtual mode of campus placements. IIM Nagpur welcomed recruiters across various sectors like Consulting, BFSI, FMCG, Consumer Durables, Ed-Tech, E-Commerce, Analytics, and Logistics.

The list of prominent recruiters who have participated in this Campus Placements Season includes Bain & Co., BNY Mellon, Accenture, Arcelor Mittal, DHL, Deloitte, Dalmia Bharat, Tata Power, TVS, ZS Associates, L&T InfoTech, Crompton Greaves, IQVIA, HCL, Magicbricks, Tresvista & Urban Company. Despite the uncertainty faced this year, IIM Nagpur has witnessed an increase in the average CTC & median to ₹13,21,000 & ₹13,00,000, respectively, in this Campus Placement Season.

Consulting & IT emerged as the most sought-after sectors, followed by BFSI & FMCG/FMCD, with more than 60 percent of the batch opting for companies in these sectors. The current year also witnessed participation from Logistics, E-Commerce, Manufacturing, Ed-Tech, with more than 20 percent of the batch choosing profiles in these sectors. Strategy Consulting and Analytics were the most sought-after roles by the students. Apart from these, roles in Marketing, Finance, and Operations were offered to the students. This year also witnessed participation from 41 first-time recruiters, which included Bain & Co., Xiaomi, Sula, NCR Corporation, Salesforce, Utkarsh Bank, Collegedunia, Zypp Electric, Accolite, etc.

KEY HIGHLIGHTS

- ❖ Top Profiles Offered - Management Consulting, Research and Advisory, Brand Management, Key Account Management, Fixed Income Research, Retail Banking, Supply Chain, Product Management
- ❖ Consulting Cohort witnessed maximum offers with 31.9% of the students securing jobs in these roles
- ❖ First Time Recruiters on-boarded: 41

Alumni Speaks

Mehul Gokhru

BPCL

PGP 2015-2017

IIM Nagpur is an institution of learning that not only imparts knowledge but shapes and enhances complete personality of the students. The professors guide you with subject matter in classrooms and with their gems of experience out of it. These personal interactions lead to gain of corporate insights and career development. The special lectures from distinguished industry stalwarts lead to industry insights but also gives an impactful perspective of the students to the corporate world. To sum it all not only did I graduate from IIM Nagpur, IIM Nagpur has graduated through me as well.

Nupoor Sinha

Swiggy

PGP 2015-2017

Choosing IIM Nagpur was perhaps the riskiest decision for me in the year 2015 but it turned out to be one of the most decisive one for my personal and professional growth. I consider myself extremely fortunate to have interacted with some of the most inspiring people at IIMN. My two years' experience was mostly about sleepless nights and a lot of learning. We used to pull off all-nighters to solve cases and the next day we used to drag ourselves to attend the 8:40 am classes with left over sandwiches in our hands. In short, IIMN will push you a lot but it gives you the best exposure to learn and grow.

Sameer Bhajni

Walmart Global Tech India

PGP 2016-2018

It was the multi-faceted offerings, echoing a perfect balance between academic rigor and focused extra-curricular activities, at IIM Nagpur that truly helped me grow not only professionally but also personally. Surrounded by the best faculty, peers who would evoke intellectual discussions to the relentless support from the management, the two years at IIM Nagpur nurtured my curious mind into thinking beyond the obvious. I remember how we would get to interact with the industry stalwarts helping us seamlessly connect classroom learnings with their experiences and those intense case study discussions. One of my fond memories is writing a business case study for a social enterprise which eventually got published internationally, thanks to our esteemed faculty. I was always fond of IIM Nagpur while I was student and I am proud today when I look back, as an alumnus, of how the institute has shaped over the years.

Pradeep Kumar Perumalla

PGP 2016-2018

I feel very proud to be an alumnus of IIM Nagpur. It's an excellent learning journey, I couldn't recollect a single day in the college where I have gone to bed without learning something new. If I have to highlight one aspect, it would be the professors, the experiences they have shared not only contributed in my professional growth but also helped me to develop my personality and become a better human being. I can confidently say that IIM Nagpur's curriculum not just contributes to professional growth of students, but also helps them to handle any situation with confidence.

Alumni Speaks

Aditya Loiya

KPMG

PGP 2017-2019

MBA is not only about learning a few more subjects, it's about learning from the people around us, learning to commit and go the extra mile to fulfil the promise. It is about what you do and how you approach things in the 2-year duration of the course, as this shapes an attitude for life. IIM N has provided me a fair environment for growth in the form of peer group and not to mention the faculties with the required academia-industry mix. Pretty much all my batch-mates had prior work experience which always caused plethora of perspectives to flow-in during our case discussions. This has helped me to have a completely different point of view and even today when faced with a problem, I hit the 'refresh' button and look for alternate possibilities that exist.

Bharath Turlapaty

Deloitte

PGP 2018-2020

The unique and distinctive proposition of learning at IIM Nagpur through a collective discourse providing both theoretical concept clarity and application-oriented learning has helped me in understanding the management concepts in a more effective way. IIMN has given us an important pedestal in the form of access to the thought leadership of corporates through guest lectures and workshops. Being in IIM Nagpur has also helped us in thinking and strategizing like a key decision maker in an organization even before being one through the corporate competitions, where students from IIM Nagpur have proven their mettle. We had the opportunity to learn through extremely interactive and engaging lectures from both in-house faculty and visiting professors with a vast experience in academics and industry. In addition to all these, it is the podium that IIM Nagpur has given me for the development of my leadership skills that I would cherish for a lifetime. Best wishes to the class for placements!

Soumya Ojha

Valuelabs

PGP 2018-2020

For me, IIM Nagpur has not just been a platform to learn management skills from best-in-class professors but an experience with learnings for lifetime. The rigorous schedule not only gave me an opportunity to push my limits but also instilled the confidence to tackle the greater pressures of corporate life. Different aspects of the curriculum, like Field Immersion and International Immersion program gave me the right exposure to hone my decision-making and leadership skills. I will forever cherish being a part of the making of an institute which is carving a niche for itself and producing the leaders of tomorrow.

About **Nagpur**

Nagpur, located at the heart of the country, has marked its presence as one of the fastest growing cities in India. Popularly known as the Orange City, Nagpur has shown tremendous growth in terms of infrastructure development attracting investments from different parts of the globe. MIHAN (Multi-modal International Airport and Hub at Nagpur) Project, said to be the largest infrastructure development in Asia, has put Nagpur on the world map. Soon-to-be the first large-scale integrated smart city of the country, Nagpur is easily accessible to all the major cities across the country. All the major highways and railways trunk routes pass through Nagpur, making it potentially the biggest logistics hub in India.

Nagpur is an educational hub in Central India which has attracted the Government's attention to setup premiere institutes in and around the city. Surrounded by five forest reserves, Nagpur attracts wildlife tourism and has been named as the 'Tiger Capital of India'. Surging industrial growth, fast-growing infrastructure, strong connectivity and best-in-class educational institutions are some of the key factors that make Nagpur one of the most sought-after cities in the country.

Indian Institute of Management Nagpur campus, located in the plush green VNIT campus, is 6 km from Dr. Babasaheb Ambedkar International Airport and 7 km from the Nagpur Railway Station.

Well connected by Air, Road and Rail to all the major cities in the country, Nagpur has efficient public transport within the city like cabs, buses and the upcoming Nagpur Rail Metro.

Pre-paid taxi and Cab aggregations are available 24*7 in Nagpur.

Campus Recruitment Process

The campus recruitment process at IIM Nagpur is headed by the Career Development Cell. Over the years, the placement committee has consistently worked towards making the recruitment process a hassle-free affair for both the recruiters and the students. The scheduling of the selection process termed as the slot, is indicated to the recruiting organization. The institute also has a dream slot policy. IIM Nagpur prides itself on being digitally savvy and has conducted many of the interview processes digitally as well. The institute does not follow the practice of placement/participation fees.
