

Post Graduate Programme (PGP) in Management / MBA

Two-year full-time, residential, Master of Business Administration (MBA) programme, popularly known as Post Graduate Programme in Management (PGP)

Aims to create value-driven leaders, global managers and entrepreneurs with strong conceptual foundations and analytical meticulousness ingrained in a sound understanding of the socio-economic context. Facilitates students to take on challenges in achieving professional excellence and self-development.

Curriculum is benchmarked against the best in the world and is based on vibrant pedagogical practices while maintaining contemporary relevance.

The International Immersion Programme is an optional module offered to PGP students in their second year. This module exposes the students to international business environments and cultures that are different from their home business environment. IIMN students have visited France, Japan, South Korea, Dubai and Singapore as part of this module.

Dual-degree and International exchange – Tie-up with University of Lille, France

Doctoral Programme

IIM Nagpur started the Doctoral Programme from the academic year 2021-22. The program duration is four years.

The objective of the programme is to create socially conscious professionals who would engage in rigorous interdisciplinary research in the management discipline and would strive to apply this research to address contextually relevant real-life issues.

IIM Nagpur will be starting the executive Ph.D. (part-time Ph.D.) for industry professionals in the upcoming academic year. Details about this will be shared soon on the IIM Nagpur website.
