The inauguration of new campus of IIM(N) at the hands of President of India Ram Nath Kovind proved to be historic.

President Ram Nath Kovind inspected, regardless of the soaring temperature, the entire campus soon after arriving at the spot contrary to expectations he would straight arrive on the stage.

He studied minute details of the campus and exclaimed in appreciation Great.. This is fabulous...!

This was a tell-tale evidence of the studious nature of the President Ram Nath Kovind which

President walks for 10 mins

President inspected the campus for fifteen minutes after which he arrived on the stage. E-vehicle had been pressed into service for the commute of the President. However, he preferred to inspect the campus on foot. Later on while moving on the e-vehicle, he obtained necessary information from chairman of Administrative Board C P Gurnani about how eco-friendly the campus was.

was experienced by the staff of IIM and present on the spot.

When President Ram Nath Kovind arrived at the spot, the mercury had crossed 43 degree celsius. Due to heavy bandobast, only selected VVIPs were present at the spot.

Soon after his arrival, President Ram Nath

Kovind inaugurated a plaque. As per protocol, the details of IIM (N) were already sent to the President's office.

Inspite of this, when the President reached the IIM(N), he wanted to know many things about the institution and the campus on his own.

He obtained complete
