

# Students should take planned action to achieve goals: Metri

LOKMAT NEWSNETWORK  
NAGPUR, JULY 29

Director of IIM Nagpur Dr Bhimraya Metri has said that the times have changed and students should take planned action in what they believe will surely reap the desired results for them.

He was speaking during the students conference organised by Nagpur branch of WIRC and WICASA, under the aegis of Students Skill Enrichment Board (SSEB) Board of Studies

Metri motivated the CA students by saying that youth is the power of tomorrow and therefore they need to be prepared for all adversities to excel in their lives.

Chairman SSEB (Board of Studies (Operations) CA. Sanjeev Kumar Goyal, who was the guest of honour urged the CA aspirants to live life to the fullest, have patience and do what inter-

IIM director Dr Bhimraya Metri, chairperson of Nagpur branch of ICAI CA Jitendra Saglani and others during the conference of CA students in the city.

ests you.

He shared the initiatives of the board for the CA students and guided them by asking them to choose the right path. He further elaborated some critical aspects of the evaluation of students when it comes to exams and how students should keep their mindset while approaching the exams. 'Success is 85 per cent attitude and 15 per cent skill and intelligence' said chairman of Nagpur branch of ICAI CA

Jitendra Saglani. He also wished the students presenting technical papers all the very best.

Chairperson of WICASA Deepak Jethwani, explained why the theme chosen was relevant for the two-day conference.

Secretary CA. Akshay Gulhane proposed a vote of thanks in the inaugural session. Treasurer CA Dinesh Rathi CA. Swaroopa Wazalwar CA. Ajay Vaswani convened the technical sessions.
