## Admissions open for IIM Nagpur Executive MBA programme

### ■ Business Bureau

ADMISSIONS are open for IIM Nagpur Executive MBA programme (previously termed as MBA for working professionals) for the academic year 2022-24 for Nagpur campus.

The two-year Executive MBA programme is meant for mid to senior level executives, who are looking to accelerate their career growth. Working professionals with minimum 50% marks (or equivalent) in graduation and minimum three years of work experience are eligible for this programme.

The Executive MBA programme will be scheduled on weekends/ weekday evenings in-class mode so that working professionals could attend without taking a break in their careers. It is designed to equip

the participants with formal management education and sharpen their skills to enable them to move into senior leadership roles.

The Executive MBA programme at IIM Nagpur offers working professionals much-needed flexibility with field projects, industry/ international week (courses by international faculty/ industry experts), option to take up MOOCs credit from online platforms, course of independent study as well as an integrative elective course on managing business execution.

The last date to apply for the programme is September 3.

For more details, interested may contact Anagha Ranade, Assistant Officer Communication and Media (Mobile: +91-9623453948).
