

'Stay relevant in a changing world'

■ Staff Reporter

DIRECTOR of IIM, Nagpur Dr Bhimaraya Metri, emphasizing on creating oneself professionally by keeping upskilled, by continuously adopting the latest changes specifically in the technological fields said, "Young graduates understand the importance of choices we made in our life. Today's world is changing continuously. One has to be relevant always for sustenance."

Dr Metri was addressing the gathering during the degree certificate distribution programme organised by Government College of Engineering, Nagpur for its second BE batch of 2021. Dr Prafulla Sable, Director of Board of Examinations and Evaluation, RTMNU was the guest of honour.

Principal of the institute Dr Rewatkumar Borkar presided over the function. Coordinator of the ceremony-Dean (Academic) of Institute Dr Rajendra R Chaudhari, read out the result of 2021 pass-out batch in the pream-

Dr Bhimaraya Metri, Dr Praful Sable, Dr Rewatkumar Borkar, Dr Latesh Bhagat and others at the programme.

ble address. In the year 2021, 366 students have graduated from the institution in five different core engineering disciplines viz Civil Engineering, Mechanical Engineering, Electrical Engineering, Electronics & Telecommunication Engineering and Computer Science & Engineering. The result was declared 100% with more than 95% students passing with distinction.

23 meritorious students, which included 13 University Rank Holders and Institute Toppers, were felicitated. Heads of Departments Dr N D Ghawghawe, Dr S S Pusadkar, Dr Latesh Bhagat, Dr V M
