

## Book on corporate governance released at IIM-Nagpur

**B**himaraya Metri, director of IIM-Nagpur, released the book 'Corporate Governance in the 21st Century' authored by Prof Arun Kumar Rath, Chairman Centre

of Excellence for Corporate Governance CSR & Sustainability - CGCS, recently. The book launch programme was organized by IIM-Nagpur in collaboration with the Centre of Excellence for Corporate Governance, CSR & Sustainability - CGCS. Rath is an adjunct professor in strategy and entrepreneurship at IIM-Nagpur. Rath, a distinguished Fellow of the Institute of Directors and a fellow of the All India Management Association, New Delhi, has published several research articles on corporate Governance, CSR, and sustainability. While briefing about the book Rath said, "The book is an outcome of my interactions at different levels." These interactions at different levels prompted me to write a book focusing exclusively on comprehensive corporate Governance and social responsibility. The book is a comprehensive account of the theory and practice of corporate governance, covering both the global and Indian scenarios. The book will be helpful for faculty members, students, research scholars, corporate directors, managers, and policymakers engaged in the study and practice of corporate governance, Rath said.
