# ABOUT IIM NAGPUR

Indian Institute of Management Nagpur started its journey in the year 2015 under the mentorship of Indian Institute of Management Ahmedabad. The Institute's first batch of Masters of Business Administration in Management commenced on the 23rd of July 2015.

IIM Nagpur shifted to its new 132-acre campus, situated at MIHAN, Nagpur, Maharashtra, in November 2021.

IIM Nagpur, a new generation IIM, aims to create value-driven leaders, global managers, and entrepreneurs with strong conceptual foundations and analytical approaches

to help them be the best in whichever field they choose. The aim is to innovatively address the needs of a modern India, and connecting aspirations and realities to attain benchmarks that are respected internationally. IIM Nagpur is gradually increasing its portfolio of activities to fulfill these objectives.

The institute's curriculum has been designed by experts from the field of management education. The learning process here helps the students connect to the industry and other stakeholders in a multidimensional way. A

significant feature of IIMN is International Immersion program which helps the students to experience real life problems and come up with practical solutions for them.

The campus is rich with state-of-the-art classrooms to facilitate various pedagogies, IT infrastructure for connectivity and access to academic resources among others.

The students at IIMN are encouraged to explore their entrepreneurial ambitions and for that, the institute's faculty, who have an excellent track record of research

and teaching, provide the required support and guidance to the students.

IIM Nagpur is a member of The Association to Advance Collegiate Schools of Business (AACSB). Both IIM Nagpur and AACSB are committed to a common goal, that is, the creation of the next generation of great leaders. Through this alliance, therefore, IIM Nagpur aspires to connect with the global network and contribute to the improvement of the quality of business education around the world.

# Director's Message

At IIM Nagpur, we are committed to providing an unparalleled learning experience, breaking barriers, and ensuring excellence in education. As a young institution at the centre of our great nation, we have embarked on a journey of continuous evolution driven by our unwavering pursuit of excellence.

Greetings from IIM Nagpur!

The academic year for the 2022-2024 cohort got off to a rousing start, with the best digital tools used to guarantee perfection and no barriers to learning, exposure, or business connection.

The current batch is a testament to our commitment to diversity and dynamism. Having a perfect blend of experienced professionals and fresh graduates, this cohort boasts an average of 22 months of experience, with a significant representation of recent graduates. These individuals bring a rich tapestry of academic backgrounds, including engineering, business, management, and related fields, making for a genuinely multidisciplinary group. Notably, this batch has diverse perspectives and varied skill sets.

With a wealth of experience in consulting, technology, manufacturing, FMCG, power, and the BFSI industry, these students bring a unique amalgamation of industry insights and theoretical knowledge to the classroom. Their energy and enthusiasm are infectious and reflect their drive and ambition to excel in the corporate world and academia.

In consultation with industry experts and academia, our MBA curriculum has been meticulously designed to incorporate the guidelines of NEP 2020. This is bound to equip our students with a comprehensive understanding of the subject, enabling them to thrive in their respective fields. Under the guidance of our exceptional faculty members, who possess a strong track record in teaching and research, our students master the fundamentals of their disciplines. Moreover, through our academia-industry interaction events, such as ILLUME, Ekagra, Utkarsh – the HR Conclave, Upkrit and Vihaan, students gain valuable exposure to the corporate environment, honing their problem-solving abilities and fostering intellectual growth.

IIM Nagpur also launched a bespoke, first-of-its-kind course called 'Professional Management Practice' (MBA). This course has been designed to arm first-year MBA students with professional/leadership attributes essential for a successful career in the corporate world. By using cutting-edge psychometric tools, immersive experiences, and action learning projects tailored with 1:1 mentoring by senior leaders from corporate houses, the course aims to help students hone skills to be near-perfect 'Corporate Ready'.

The international immersion program further broadens the horizons of our students as they embark on transformative journeys to countries like France, Dubai, and Singapore, acquiring invaluable insights and cross-cultural competencies along the way.

Beyond the confines of the classroom, our students have displayed exceptional dedication and initiative. Some have already begun conducting research with international publications, while others have gone the extra mile, earning certifications such as the CFA and Six Sigma. Our students have also made remarkable achievements in corporate competitions, leaving their mark in prestigious events like the ICICI Beat the Curve, V-Guard Big Idea, TVS Credit E.P.I.C, ABFRL Show Stopper. Additionally, they have showcased their sporting prowess at various levels, representing IIM Nagpur in disciplines such as karate, swimming, basketball, football, table tennis, and cricket.

Our relentless efforts have paved the way for our students to secure rewarding internships and employment opportunities with established organizations and budding start-ups. Our students have been sought after for diverse consulting, marketing, business analytics, operations, finance, and strategy roles. The constant on campus presence of industry leaders, who graciously share their knowledge and experience through guest sessions; conclaves; and panel discussions, is a testament to their faith in our students' tenacity and potential.

It's a privilege to invite industry professionals to interact with our students. I wish our students a fulfilling and fruitful Professional future ahead.

**Dr. Bhimaraya Metri**  
Director, IIM Nagpur

# Dean's Message

I invite your esteemed organization to partner with us for our upcoming placements season and discover the exceptional talent that our institution has to offer.

Greetings from IIM Nagpur!

As the Dean of Indian Institute of Management Nagpur (IIMN), it is my utmost pleasure to present to you the exceptional talent and achievements of our graduating batch. With another successful academic year drawing to a close, I would like to take this opportunity to showcase the distinctive strengths and aspirations of our esteemed institution.

Since its inception in 2015 under the guidance of the esteemed Indian Institute of Management Ahmedabad, IIMN has steadily established itself as a leading management institution in India. Our primary mission is to nurture value-driven leaders, global managers, and enterprising individuals equipped with a solid conceptual foundation and analytical acumen. We are dedicated to addressing the evolving needs of contemporary India while striving for international recognition.

I am thrilled to announce that IIM Nagpur is the first IIM amongst its generation to relocate to a state-of-the-art permanent campus spanning 132 acres in MIHAN, Nagpur, Maharashtra. This modern facility boasts advanced classrooms, cutting-edge IT infrastructure, and abundant resources, all aimed at fostering a dynamic and immersive learning environment.

In alignment with our vision to shape management systems, policy, and governance, I am delighted to present our flagship program, the two-year full-time Master in Business Administration (MBA), earlier known as the Post Graduate Programme in Management (PGP). Our MBA curriculum, meticulously crafted by distinguished experts in the field of management education, enables our students to engage with industry stakeholders through various multidimensional approaches. This empowers them to bridge the gap between theory and practice. A distinguishing aspect of our program is the Field Immersion Module, which provides invaluable hands-on experience in addressing real-world business challenges and developing pragmatic solutions.

This rigorous program also is designed to equip our students with critical thinking abilities, professionalism, and ethical conduct, preparing them for leadership roles. The comprehensive curriculum encompasses lectures, case studies, individual and group projects, and business simulations, ensuring a well-rounded and transformative learning experience.

Our illustrious faculty, renowned for their research and teaching excellence, play a pivotal role in shaping the minds of our students. They provide invaluable guidance and unwavering support, empowering our graduates to pursue their entrepreneurial aspirations. We take immense pride in fostering an environment that cultivates excellence, ethical leadership, integrity, and unwavering commitment, values that our students embody as they embark on their professional journeys.

We take pride in our strong industry connections, and our students have benefited greatly from internships, industrial visits, and collaborative projects with renowned organizations. These experiences have not only provided valuable exposure to the professional world but also helped our students develop crucial skills such as teamwork, communication, and problem-solving.

Together, we can build a mutually beneficial partnership that will contribute to the growth and success of your organization, as we provide rewarding career opportunities for our deserving students.

On behalf of the entire IIM Nagpur community, I express our sincere appreciation for your continued support and collaboration. We value our partnership with the industry and remain dedicated to fostering robust relationships that contribute to the growth and development of our students and organizations alike.

Thank you for considering our institution as a valuable talent resource. We look forward to welcoming your representative to our campus and forging a strong collaboration.

Warm regards,

**Dr. Prashant Gupta**

Dean of Faculty, Academics, and Alumni

# Chairperson's Message

Our goal is to become a foremost management institute that plays a major role in formulating management practices, public policies, and governance through high quality education, research, and industry engagement.

Greetings from IIM Nagpur!

We welcome you to IIM Nagpur for the campus recruitment drive 2023-24. Despite being one of the relatively new IIMs, IIM Nagpur has achieved high growth in academics and placements over the past several years. IIM Nagpur is one of the fastest growing business schools in the country. Our goal is to become a foremost management institute that plays a major role in formulating management practices, public policies, and governance through high quality education, research, and industry engagement. We have best-in-class infrastructure and distinguished faculty members who have created an unparalleled learning environment in the centre of the country.

IIM Nagpur is having academic collaborations with prominent international institutions, such as University of Lille France, Westminster Business School London, Chuo University Graduate School of Strategic Management Japan, Institut Mines-Télécom Business School France. In addition, faculty members from renowned international institutions and senior industry professionals teach at IIMN. Sessions conducted by global faculty and the industry professionals help our students to develop a global perspective and a pragmatic approach to solve real-world problems.

Over the years, prominent business leaders and senior executives have interacted with our students through various academia-industry interaction events, such as ILLUME – Industry Academia Summit of IIM Nagpur, Utkarsh – the HR Conclave, Prerna – the CEO summit, and Upkrit – students and industry mentor meet. Interactions with and learning from the seasoned Professionals have helped our students to gain critical insights on the current business challenges. In addition, such interactions help our students to gain practical knowledge of various strategies that leaders and managers adopt to run businesses in the rapidly changing business environment.

The class of 2024 consists of students with diverse educational backgrounds and Professional experience in a variety of industries. Our students are nurtured in a culture of innovation, hard work, and continuous improvement. Besides having in-depth domain knowledge, they possess high levels of social skills, strategic thinking, adaptability, resilience, agility, and problem-solving skills. I am confident that our students will be a valuable asset to your organization.

I warmly welcome the organizations desirous to participate in the Campus Recruitment drive 2023-24 at IIM Nagpur. We look forward to having a mutually beneficial, long-term relationship with you. I am very confident that the students of IIM Nagpur that you would recruit will play a crucial role in taking your organization to newer heights.

**Prof. Neerpal Rathi**

Chairperson, Career Development Services

# CDS - Faculty Committee

The CDS Faculty Committee is appointed by the Director, IIM Nagpur. The CDS Faculty Committee comprises four faculty members who oversee all activities undertaken by the CDS Office. The committee members possess immense knowledge in their respective areas of expertise, and provide their valuable inputs to help the CDS office work effectively and efficiently

**Prof. Atul Pathak**

Member CDS, Faculty Committee

Prof. Pathak is an experienced faculty at IIM Nagpur, teaching courses in Strategy and Entrepreneurship. With over 20 years of international work experience, he has also delivered executive education programs and consultancy assignments for numerous corporate and public-sector organizations. His research has been published in international journals, and he has received awards for his work. Prior to academia, he held positions in the banking, IT, and consulting industries across multiple countries.

**Prof. Deeparghya Mukherjee**

Member CDS, Faculty Committee

Prof. Deeparghya Mukherjee is a faculty member in the Economics area at IIM Nagpur. His expertise lies in international trade, investment agreements, services trade, and the economics of outsourcing and IT integration in India. Before joining IIMN, he worked as a Visiting Research Fellow at the Institute of South Asian Studies, National University of Singapore, and as a Research Fellow at ICRIER, New Delhi. He holds a Ph.D. from IIM Bangalore and has industry experience as a certified Financial Risk Manager, as well as working in advanced analytics roles at HSBC and Citibank. He also holds a master's degree in economics from the Delhi School of Economics, University of Delhi.

**Prof. Alok Kumar Singh**

Member CDS, Faculty Committee

Prof. A.K. Singh, holding a FPM degree in Operations Management and Quantitative Techniques from IIM Indore, brings a wealth of experience to his role. With a background as a Mechanical Engineer from G.B. Pant University of Agriculture & Technology, Pantnagar, he worked for 8.5 years with Steel Authority of India Limited (SAIL) before transitioning to academia. Prof. Singh has published papers in renowned journals, attended conferences, and has a keen interest in teaching and researching topics such as Operations Management, Project Management, Supply Chain Management, and Quantitative Techniques.

**Prof. Nilesh Gupta**

Member CDS, Faculty Committee

Prof. Nilesh Gupta, a member of the Finance and Accounting Area at IIM Nagpur, brings a diverse background to his role. After completing his B.Tech in Electronics, he worked at Tata Consultancy Services, specializing in Anti-Money Laundering software. He obtained his FPM(Ph.D.) from IIM Ahmedabad and taught at IIM Trichy for over five years. Prof. Gupta has extensive teaching experience across various programs and has contributed to executive training programs and workshops. He has an impressive portfolio of cases, research papers, media publications, and presentations at international conferences.

# Faculty Speak

**Prof. Ranjitha G P**

The batch of 2022-24 is the first full fledged offline batch after the pandemic. That makes the difference in a true sense. The batch brought back the energy to the classrooms. It is a rare mix of futuristic tech-savvy ambitions yet grounded with value-driven life perspective. This is an essential aspect of a visionary business leader. My best wishes to the batch. I am sure that they reinstate the brand IIM Nagpur and the organization in whichever role they engage with. All the best.

**Prof. Avina Mendonca**

The 2022-24 batch of IIM Nagpur encompasses resourceful, curious, and driven individuals from diverse backgrounds who have a strong will to excel and the necessary potential to do so. I have had the opportunity to engage with the batch in the organizational behaviour course and rural immersion program. During these academic interactions, the batch has exhibited a willingness to learn and a desire to develop a growth mindset. A balanced mix of fresh graduates and individuals with professional work experience in the batch has made my academic engagement with them much more stimulating. I am assured that with their eagerness to learn and excel, the students of batch 2022-24 IIM Nagpur will be great contributors to their respective organizations. I wish them all the very best in their future endeavours.

**Prof. Kapil Kaushik**

With the batch 2022-24, I have witnessed firsthand the excitement that emanates from discussions in the classrooms, creating an environment where ideas flourish and perspectives are broadened. Their willingness to engage deeply with the subjects and go beyond the surface level is what sets them apart. As this batch embarks on the next phase of their educational journey, they are eager to seize every opportunity that comes their way. Industry-relevant courses at IIM Nagpur will further enhance their knowledge and equip them with the skills needed to tackle contemporary challenges. Moreover, I am truly impressed by the higher level of participation displayed by this batch in hackathons and business case competitions. It speaks volumes about their profound understanding of core management concepts and their drive to apply learning to real-life problems. Their active involvement in these events reflects not only their academic prowess but also their eagerness to make a tangible impact on the world around them. As they embark on their journey beyond these walls, I offer my heartfelt wishes for their placements.

**Prof. A. Rama Papi Reddy**

Like any class of MBA, the class of 2022-24 of IIM Nagpur has its diverse mix across different dimensions. They have their own strengths and weaknesses. I have observed along with other traits batch has demonstrated commitment to the work, creativity in expression, attention to detail, and inquisitiveness to learn. Given a chance and with some motivation, the batch has the potential to do wonders.

# About MBA

The two-year full-time, Master in Business Administration (MBA) programme is IIMN's flagship 2 - year, programme which aims to create leaders, managers and entrepreneurs with strong conceptual foundations and analytical meticulousness ingrained in a sound understanding of the socio-economic context. The programme facilitates students to take on challenges in achieving Professional excellence and self- development.

The MBA has been designed with a view to prepare the students for leadership roles. It grooms the students into competent Professionals with an orientation towards excellence and high ethical standards, irrespective of the

sector they choose to work in – be it business, not-for-Profit, government-related or social change.

Courses in this programme are an amalgamation of lectures, classroom discussions, case studies, individual and group projects, term papers, role plays, business games, etc.

In addition to the three terms a year, the MBA programme also includes an International Immersion on completion of the first year, a field International immersion and a summer internship which together lay the foundation for conceptual and critical reasoning. These give the students an insight into the dynamics of business environment.

IIM Nagpur partners with HCL for 5-year Integrated Management Program

# Upkrit 2022: Mentor - Mentee Meet

IIM Nagpur launched the innovative and tailor-made course 'Professional Management Practice' (MBA), which stands as a unique offering in the management education landscape. The course is meticulously designed. With a focus on developing Professional and leadership attributes crucial for a successful corporate career, MBA equips first-year PGP students with the skills needed to excel and be "Corporate Ready."

MBA employs cutting-edge psychometric tools, immersive experiences, and action learning projects to provide students with a holistic learning environment. The course goes beyond traditional classroom teachings and emphasizes practical application through real-world scenarios. Additionally, the course structure incorporates one-on-one mentoring sessions conducted by senior corporate leaders. This personalized mentoring enables students to receive guidance and insights from experienced Professionals, enhancing their understanding of the corporate landscape and fostering their Professional growth.

As part of the MBA course, IIM Nagpur organized the 'UPKRIT' mentor-mentee event, which attracted over 50 industry mentors. These mentors partnered with the institute to mentor students enrolled in the PGP-MBA batch 2022-24. The event facilitated meaningful interactions between mentors and mentees, allowing students to benefit from the wealth of knowledge and experience brought by these industry veterans.

During their visit to IIM Nagpur, the mentors were deeply impressed by the state-of-the-art campus. The institute's sprawling campus provides an ideal environment for academic excellence, collaboration, and personal development. The mentors recognized the value of such

infrastructure in fostering a conducive learning environment for students.

Moreover, the MBA course at IIM Nagpur includes a unique element of rural immersion for the students. This component enables students to stay in rural areas and gain insights into the operations of NGOs and local industries. By leveraging their industry knowledge and skills, students actively contribute to the business development and growth of these rural communities. This experiential learning opportunity further enhances students' understanding of diverse business environments and instills in them a sense of social responsibility.

In conclusion, IIM Nagpur's MBA course, is a pioneering initiative that equips students with essential Professional and leadership attributes. The industry mentors who visited the institute during the UPKRIT event acknowledged the exceptional infrastructure of the campus. With its focus on experiential learning and personalized mentoring, the course ensures that students are well-prepared for the corporate world while also instilling a sense of social consciousness through rural immersion experiences.

# International Immersion Program

The Exchange Program at IIM Nagpur is designed to provide students with a valuable opportunity to experience different educational systems, cultures, and business environments around the world. Through these programs, students can gain a global perspective, enhance their cross-cultural understanding, and develop skills that are highly relevant in today's interconnected business world.

In the past, IIM Nagpur has successfully conducted student exchange programs with prestigious universities such as Tel Aviv University in Israel, Asian Institute of Technology in Thailand, and Instituto Tecnológico Autónomo de México (ITAM) in Mexico. These collaborations have allowed students to immerse themselves in diverse academic settings and learn from renowned faculty members.

By participating in an exchange program, students have the chance to study abroad for a semester or academic year, taking courses that align with their academic interests and broadening their knowledge base. They can engage in classroom discussions with international peers, learn from different teaching methods, and gain a deeper understanding of global business practices. Moreover, the exchange program fosters cultural exchange, encouraging students to interact with local communities and embrace new perspectives.

## International Immersion Program:

IIM Nagpur recognizes the importance of providing students with real-world exposure to international business environments. To accomplish this, the institute organizes international immersion programs in selected countries and locations. These programs aim to give students a firsthand experience of the challenges and opportunities in global business.

The international immersion programs at IIM Nagpur have included countries such as Singapore, France, and Dubai. These locations are chosen strategically to expose students to diverse cultures, economic systems, and business practices. Through company visits, guest lectures, and interactive workshops, students gain insights into the local business ecosystem and develop a global mindset.

One key aspect of the international immersion program is the opportunity for students to work on live projects with companies operating in the host countries. This hands-on experience allows them to apply their theoretical knowledge to real-world scenarios, understand the intricacies of international business operations, and develop problem-solving and adaptability skills.

Overall, the exchange program and international immersion program at IIM Nagpur play a crucial role in preparing students for careers in a highly dynamic global business world. By engaging with different cultures, businesses, and academic systems, students broaden their horizons, cultivate a global mindset, and become equipped to navigate the complexities of an interconnected world.

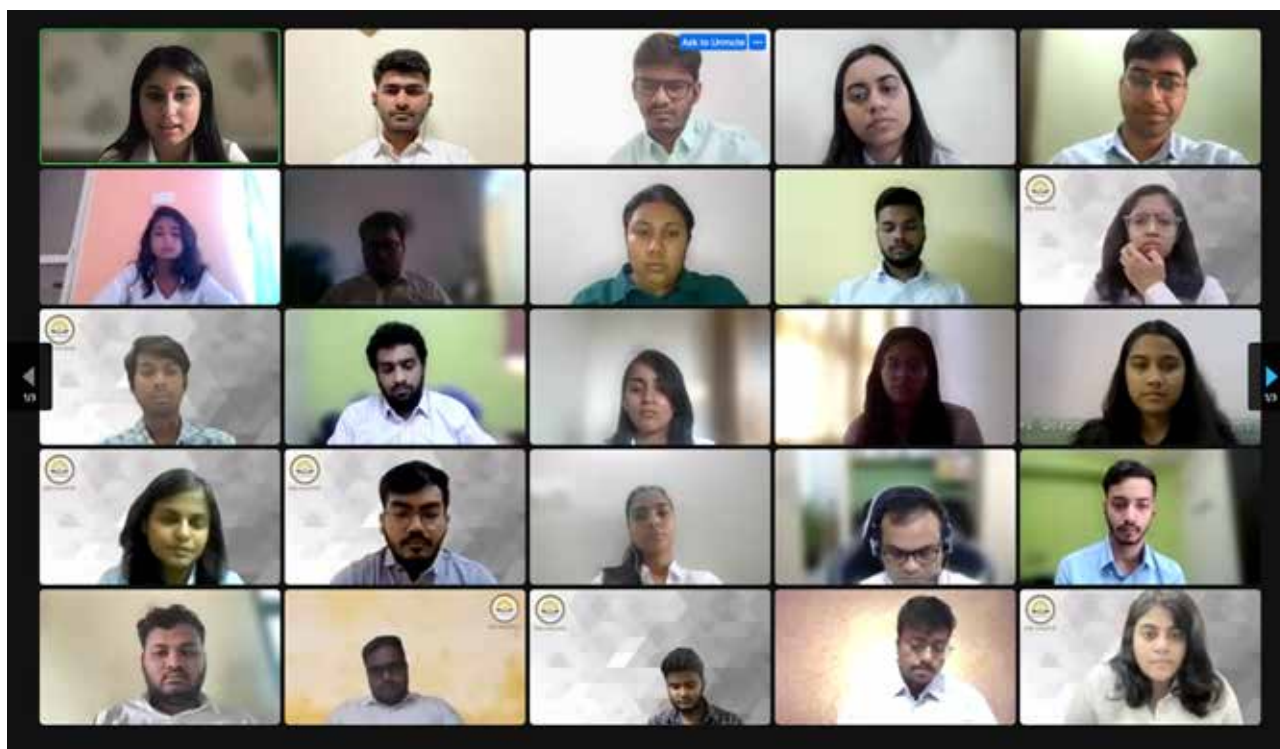

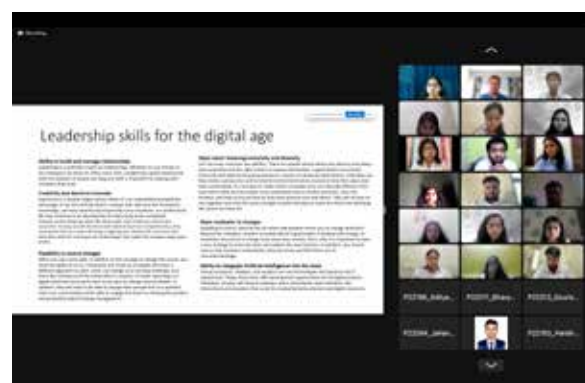

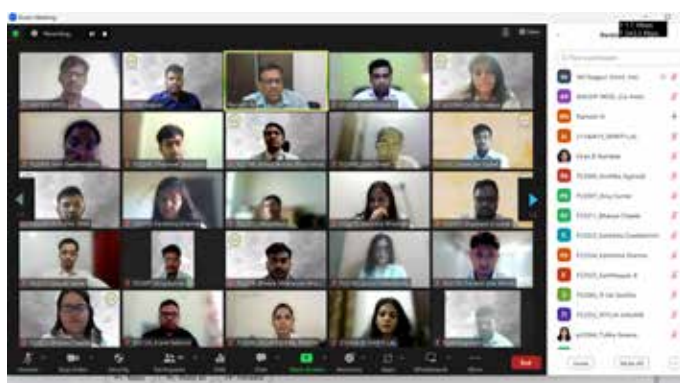

# Vihaan 4.0

VIHAAN, the Leadership Talk Series, is an annual event organized by IIM Nagpur with the objective of inspiring and motivating students to become the next generation of leaders in their respective fields. The series provides a platform for renowned industry professionals and experts to interact with students, sharing their knowledge, experiences, and perspectives.

The theme for this year's VIHAAN is "Unleashing Leadership Potential," focusing on empowering students to develop essential leadership skills, embrace innovation, and overcome challenges in today's dynamic business environment the talks were delivered by over 12 prominent leaders from various industrial sectors. The series aims

to bridge the gap between academia and industry by facilitating meaningful interactions and fostering a deeper understanding of the real-world applications of leadership principles.

The sessions were conducted in an online mode, ensuring accessibility and participation from a wider audience. The format encourages interactive discussions, allowing students to engage with the speakers, ask questions, and gain practical insights that can shape their leadership journey. By featuring speakers from diverse backgrounds and industries, VIHAAN aims to provide a holistic perspective on leadership and inspire students to think beyond traditional boundaries.

# Utkarsh 4.0

Utkarsh 4.0, the annual HR conclave of IIM Nagpur, kicked off this year with an inaugural session centered around the theme “Scouting the right talent pool in times of soaring attrition” and “Keeping the human touch alive in the Gen-Z world.” The event brought together industry Professionals and thought leaders from diverse sectors to discuss the challenges faced by organizations and employees.

During the inauguration ceremony, Mrs. Dhaarna Arora, Mr. Debabrata Mohapatra, Mr. Sitaram Kandi, and Mr. Sumit Sabharwal were acknowledged and thanked for their valuable insights and contributions to the session. Their expertise added significant value to the discussion on talent acquisition and retention strategies in a dynamic business environment.

The Indian Institute of Management Nagpur also expressed its gratitude to Mr. Bhooshan Malkani, Mr. Subhankar Ghose, and Mr. Jitendra Kumar, for their time and insights shared

during the event. Their presence and active participation helped create an engaging environment for students and industry mavens from various business domains.

Utkarsh 4.0 served as a platform for attendees to engage in thoughtful interactions and gain valuable insights into equipping the upcoming management force with the necessary tools and innovative models for leadership development. The conclave aimed to address the evolving challenges faced by organizations and employees in today’s rapidly changing world.

Overall, Utkarsh 4.0’s first session provided an enriching experience, fostering collaboration and knowledge sharing among participants. It set the stage for further discussions and exploration of effective talent scouting strategies while emphasizing the importance of maintaining a human touch in a generation dominated by Gen-Z individuals.

# Clubs & Committees

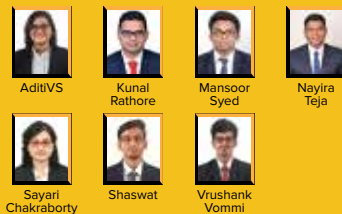

## Abhyudaya

Abhyudaya - The Cultural Club in an MBA college is responsible for planning, organizing, and executing cultural events and activities that promote talent, diversity, and student engagement. This includes managing events such as cultural fests, talent shows, and inter-college competitions, fostering inclusivity, securing sponsorships, collaborating with other committees, and maintaining records. The committee plays a crucial role in creating a vibrant cultural environment on campus, enhancing the college's reputation, and contributing to the holistic development of students beyond academics. ”

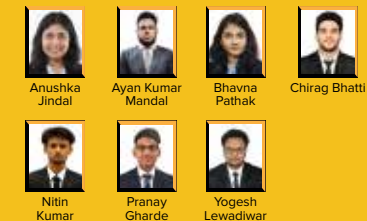

## Alumni Committee

The Alumni Committee builds and nurtures long-lasting relationships between alumni and the institute, creating a strong and supportive alumni network and keeping the IIMN family tightly knit. This involves staying in touch with the alumni and informing them of news and events happening in the college through social media platforms. We constantly float job opportunities for alumni received through the placement committee or other alumni looking for suitable candidates for their organization. We also organize city meets, and annual alumni meet- Kutumbh, to bring the alumni together and enhance networking. Additionally, the Alumni Committee publishes quarterly newsletters, keeping the alumni community informed about the current happenings, events, and updates regarding the institute. This regular communication fosters a sense of belonging and keeps alumni engaged. Furthermore, the committee facilitates mentoring and networking opportunities by connecting alumni with the current batches of PGP1 and PGP2. Through initiatives like Alumni Mentorship programs, Buddy Connect, and Samvaad sessions, alumni can offer guidance, share industry insights, and build meaningful relationships with current students. ”

## Athena – The Economics and Public Policy SIG

The SIG aims to facilitate learning economics and public policy for future managers, business owners, and policymakers from IIM Nagpur. The club envisions kindling the student community's interest in the domain and helping widen their perspective across various issues that impact businesses, households, and society. Interpreting various global happenings and understanding the cause-effect relationships in the economy are crucial for future leaders. Hence, our SIG is positioned to provide an opportunity to augment managerial decision-making with an interdisciplinary approach. ”

## Cineastes – The Movie Club

Cineastes, the film club at IIM Nagpur, with a range of exciting activities and initiatives, strives to foster a deep appreciation for the art of filmmaking among our students.

Screenings of various kinds lie at the heart of our operations, providing a platform to showcase a diverse range of cinematic masterpieces. Last year, we launched an initiative, 'Traverse,' to screen educational movies, incorporating valuable suggestions from our esteemed faculty members.

In our relentless pursuit of creativity, we explore original content and filmmaking. Last year, we produced a horror short film titled "NOOB," which received acclaim from the campus community.

Beyond filmmaking, we believe in creating immersive experiences for our members. One such event was our much-anticipated "Cineavatar" costume night on campus. This captivating affair transported participants into the realm of their favorite movie characters, fostering a sense of camaraderie and celebration of cinema.

To complement our activities, we established the magazine "Premiere." This publication provides a platform for film enthusiasts within our institution to delve into cinema through engaging articles, reviews, and interviews.

Our digital platforms serve as a gateway to the tantalizing universe of Cineastes, offering glimpses into our vibrant community and inspiring individuals to explore the magic of cinema. ”

## IIM Nagpur Toastmasters

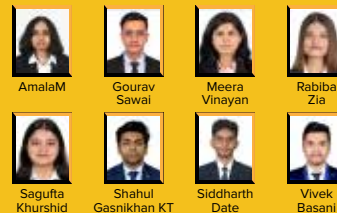

To help develop public speaking and leadership skills of the members of the club and to also help the students of the college to take their first step in public speaking in front of the audience to help them improve their self-confidence, we also conduct college events that also consists of some form of public speaking like debate competitions, impromptu speaking, and storytelling competitions, etc.

- General meets
- Newsletter
- Debate events in collab with other club like Abhyudaya”

### Infrastructure Committee

The Infrastructure Committee at IIM Nagpur plays a crucial role in bridging the gap between management and students by facilitating infrastructure-related needs and suggesting improvements for the campus. Their responsibilities include hostel room allocation, hospitality and event management, stakeholder management, grievance redressal, pest control, and a social media initiative called Nitya 2023. They collaborate with academic and non-academic clubs to enhance existing infrastructure and make it more visible to prospective students. The committee assists various clubs, committees, and special interest groups with infrastructure-related matters and ensures smooth operations. Their continuous efforts aim to provide students with world-class facilities.”

### MarX - The Marketing Club of IIM Nagpur

MarX, the marketing club of IIM Nagpur, is Highly cultured and purpose-driven. MarX aims to connect marketing concepts to real-world applications and be a resource for students aspiring for a career in Marketing. We also offer consulting services to external clients as a club, which offers immense learning opportunities for the club executives and the student community. Our industry connections are driven by our guest speaker sessions INSIGHT & CONVERSE, which connects top marketing professionals across organizations to IIMN Community. We offers students the invaluable opportunity to engage in live projects, providing them with practical experience that yields significant benefits. Talking about our strong social media presence, where our work has received likes by many major brands. Our Flagship national marketing event Advise had 100K+ impressions across digital platforms and 500 registrations from top B Schools of the country.”

### Nexus- PR & Media Cell of IIM Nagpur

Nexus, the Media and PR club of IIM Nagpur, works as the epicenter of the Institute's branding & external communication exercise. It acts as the face of the institute- an interface between outside world and IIM Nagpur. From creating and monitoring information on the official social media handles of IIMN, building Internal PR across the stakeholders through merchandise & publications such as yearbook, college magazine (Meraki), newsletter (Nitaant) and more to helping B-School aspirants in accumulating accurate information and requisite institutional guidelines. Nexus captures the entire spectrum of the Institute's presence. Additionally, Nexus takes on the significant responsibility of serving as the admissions committee during the admission process. As the admissions committee, it holds the responsibility of assisting new batches throughout the admissions process, right from appearing for CAT to their inductions at the beginning of the academic year. Being channelized by creative professionals, Nexus also facilitates the college entities/clubs/committees/SIGs in design, promotions & media coverage related activities. By enhancing the Institute's online as well as print media presence, the club holds the crucial responsibility of building & propelling the IIM Nagpur brand.”

### OPEX - The Operations Club of IIM Nagpur

OPEX, the Operations Club at IIM Nagpur, aims to foster interest in Operations Research and Supply Chain Management amongst students. Since our inception in 2015, we have organized various events and initiatives to engage students and align their interests towards Operations Management and SCM.

Our efforts include signing an MoU with ISCEA (International Supply Chain Education Alliance) and collaborating with KPMG to conduct certification programs. We have also published an annual magazine called “OpSeek” to provide an in-depth view of the OSCM industry to students and keep them up-to-date with current industry trends.”

## Students' Academic Body

Student Academic Body (SAB) is a group of elected students working hand in hand with the PGP office to best represent student interests. SAB is a multidisciplinary body responsible for ensuring that students maintain the utmost professionalism in and out of class, conducting electives bidding in 2nd year, mentoring CRs, and bringing industry-relevant coursework to notice of the PGP. SAB members work actively with the PGP to constantly improve the student ease w.r.t to grades, leaves, mark sheets, degrees, etc. SAB members also act as ex-officio subject representatives (SR) in 2nd year acting as a bridge between the faculty and students. Further, SAB ensures that all the students are well informed about the PGP policy, grading policies, and the constitutional provisions of the institute. SAB aims to contribute to the students' educational experiences by initiating, conducting, and communicating academic projects, seminars, workshops, etc., to increase student involvement and bridge the gap between academia and industry. ”

## Students' Affairs Executive Council

The Students' Affairs Executive Council is the house of representatives and is responsible to help put in motion proposals, which need the mobilization of a large section of the Student Community. It comprises of the President, the three vertical heads namely, General Secretary: Academic Clubs; General Secretary: Co-Curricular Clubs; the Students' Affairs Secretary and the Placement Coordinator. The SAEC is the highest representative authority for the entire Student Body at IIM Nagpur. It acts on advice and in consultation with the Chairperson, Student Affairs. The Council comprises of elected members from the second-year students for a given Academic Year. ”

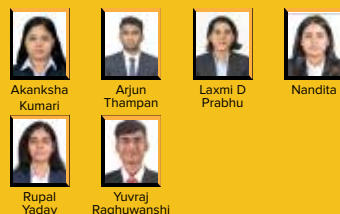

## Sports Club

We, Sports Club, are committed to enhancing students' life through an array of exciting events and micro tournaments held year-round. By infusing elements of fun, fitness, and community engagement, we continuously strive to uplift the quality of life for students. This year, we have embarked on an exciting initiative of organizing faculty and students' sports tournaments, fostering a culture of enthusiasm and opportunities for various fitness/sports activities. Our state-of-the-art campus boasts excellent facilities, including badminton, tennis, cricket, basketball, volleyball, futsal grounds, Gym, etc. Through these endeavors, we create a dynamic atmosphere that encourages active participation, fosters connections and promotes a healthy lifestyle. At IIM-N, we believe that a vibrant and engaging student life is essential for personal growth and overall well-being. ”

## Swaviskaar: The Arts SIG

Swaviskaar, the Arts SIG of IIM Nagpur, was established in 2019 with the aim of fostering the exchange of ideas among individuals connected to or intrigued by diverse forms of art. Serving as a dynamic platform, it offers an opportunity for talented individuals to showcase their artistic abilities. Through a range of initiatives, including "Artist of the Week," "Iktara - Open Mic for the Spoken Word," "Prabodhan," and more, the SIG has actively promoted various art forms. Additionally, we extend invitations to renowned artists from across the country to perform live on our platform while also discovering and promoting the talents of artists within our batch to a broader audience. By recognizing and nurturing these budding artists, Swaviskaar ensures a constant infusion of fresh perspectives and artistic innovation within their vibrant community. Through its unwavering dedication to creative exploration, Swaviskaar continues to foster an inclusive and inspiring environment that nurtures the growth and appreciation of diverse art forms. Along with this, The official Dance, Singing, Drama, and Art and Photography teams of IIM Nagpur have been formed & operated by Swaviskaar to nurture talent in these specific fields. They are also giving IIM Nagpur fraternity a team to rely upon when performing a particular art form in any event. ”

## tHRive- The HR Club of IIM Nagpur

tHRive, The HR Club at IIM Nagpur was instituted in the 2019 with the principal objective to emulate and propagate the best practices in the domain of People Management in academic and Professional capacities. The club aspires to become the conduit through which acquaintance with concepts of Human Resources Management can be developed that could later be translated into professional inspiration to contribute in the area. The group adopted the title tHRive – not merely as a wordplay but to also serve as a constant reminder of the indomitable human spirit having the ability to overcome the most adverse of circumstances.

tHRive aims to provide an in-depth understanding of Human Resource Management (HRM) through industry interaction and knowledge enhancement. The Club supplements this by creating activities and competitions involving concepts and applications from OB & HR, ensuring interactive learning of different aspects of HRM. In addition, the Club enables HR enthusiasts to learn from industry professionals through multiple guest sessions and workshops

The HR Club is the only club that creates Podcast at IIM Nagpur, "HReflections," covering contemporary topics around people management. Along with this, tHRive also shares a quarterly newsletter helping students keep up with the happening in the field of HR globally and nationally. ”

## Ummeed - The Community Outreach Club of IIM Nagpur

Ummeed- the community outreach club of IIM Nagpur, works towards creating an impact in society by spreading awareness about various social causes, sensitizing the minds of today's youth, and developing a sense of social responsibility. Working with different stakeholders on different fronts, Ummeed envisions helping and empowering the underprivileged and differently-abled through its unique and compassionate approach to social issues. In line with the vision, the club organizes events such as Blood Donation Drive, Donation Drive, Teaching differently-abled kids, Cleanliness campaign, Women's day celebration in collaboration with NGOs. The club also organizes case study competitions and events to encourage sustainable business solutions for prevailing social and environmental issues. ”

## Veda

Veda, the Readers' Special Interest Group (SIG) at IIM Nagpur, is dedicated to cultivating a reading culture and advancing literary activities among students. Our primary objective is to ignite a lifelong love for books in future managers by equipping them with critical thinking abilities and nurturing their intellectual curiosity. In line with our steadfast commitment, we warmly invite esteemed industry leaders who share our enthusiasm for reading and have authored books to join us for enlightening guest sessions. These sessions offer students a remarkable opportunity to engage with some of the most accomplished minds in the business world, gaining valuable insights into their experiences and perspectives.

Moreover, we organise various literary events catering to diverse interests and skill levels. These events encompass interactive games, workshops, and reading challenges, all aimed at encouraging students to explore various genres, enhance their literary skills, and foster a genuine passion for reading.

## Preparatory Committee

The Preparatory Committee is a dedicated place for empowering students with the skills, knowledge, and confidence they need to excel in the competitive job market. Its commitment to continuous improvement and the support from the students themselves ensure that the committee delivers the best possible preparation experience for every aspiring professional.

The journey begins with resume-building sessions, where the committee focuses on refining each student's CV to make it stand out among the competition. As the placement season approaches, the committee kicks into high gear, producing Company Decks and Sector Reports swiftly, showcasing its dedication to meeting the batch's preparation needs.

To further bolster their readiness, the committee conducts Preparatory Group Discussions, Domain Knowledge Sessions, and Mock Interviews. These activities offer students a taste of real-world scenarios and help them hone their problem-solving and communication skills, making them well-prepared for the challenges ahead.

The committee also plays a pivotal role in guiding the batch through corporate case competitions, offering valuable insights and research assistance to analyze complex business challenges.

Beyond just workshops and sessions, the committee's mission extends to fostering meaningful industry connections.

Together, the Preparatory Committee and the students strive for excellence and a bright future filled with successful placements and rewarding careers.

# Extra-Curricular Activities

# Summer Placements Highlights

IIM Nagpur has completed the Summer Placements process for the eighth batch of its flagship Masters of Business Administration Program (MBA). With the largest batch size of 253 students who appeared for the Summer Placement process this year, IIM Nagpur successfully completed this placement season on 23rd March 2023. The current batch placements process was conducted through virtual and offline modes. IIM Nagpur welcomed recruiters across various sectors like Consulting, BFSI, FMCG/FMCD, ITES, E-Commerce, Manufacturing, and Logistics.

We are happy to have had the opportunity to welcome more than 125 recruiters for the process, which shows the industry's faith in the talent pool at IIM Nagpur. The prominent recruiters who have participated in this Campus Placement Season include Adani, Aditya Birla Capital, ICICI Bank, BNY Mellon, IBM, Dalmia Bharat, Crompton, TVS

Credit Services, Zycus, Vedanta, Atlas Copco, V-guard Industries, Godrej Properties, Fujitsu, Bajaj Finance and many more. IIM Nagpur has witnessed an increase in the average stipend by 11.88% and an increase in the median stipend by 34.83% to ₹78,792/- and ₹60,000/- respectively, in this Summer Placement Season.

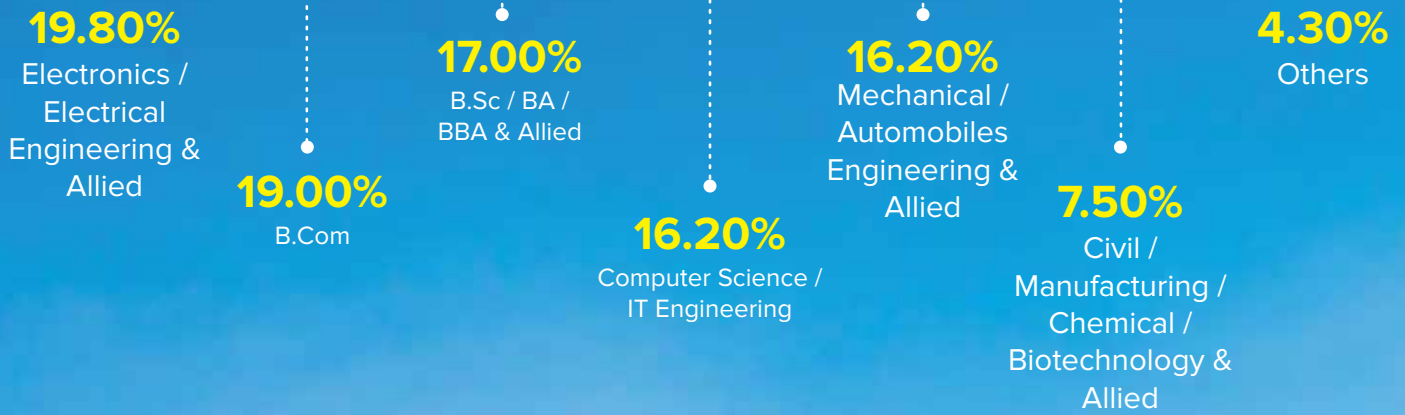

ITES and Manufacturing emerged as the most sought-after sectors, followed by Banking, with more than 60 percent of the batch opting for companies in these sectors. The most preferred roles among students were in Sales and Marketing, General Management, Strategy Consulting, IT & Analytics, Operations, and Finance, followed by the roles in Product Management. This year also witnessed first-time recruiters' participation, including Adani, Aditya Birla Capital, and Godrej Properties.

# LIFE @ IIM NAGPUR

# Alumni Speak

**Dhruv Suchak**  
BATCH 2015-17

IIM Nagpur – a great place to be at, learn from and contribute to. The learning comes not only from the professors who have accumulated years of knowledge through their mix of industrial and institutional experience during the course curriculum but also from fellow students who come to a common place carrying different educational and cultural backgrounds. Peer learning at IIM Nagpur, like any other B school, is unmatched. Being a part of the pioneer batch, it was always a challenging yet exciting environment for us. For a fresher like myself, peer conversions on and off the class helped me build a few really good connections for the lifetime. Setting up various clubs and committees from scratch in the absence of any alumni was another learning experience. Determination, leadership skills, perseverance, communication, and networking were some of the key skills that IIM Nagpur taught me during the course of 2 years at the campus.

**Vamsi Manne**  
BATCH 2015-17

Being a part of new beginnings is always special, as is my journey with IIM Nagpur's "Pioneer Batch". Looking back, I can certainly say that IIMN was the most important milestone in shaping my career. Diverse course design, best-in-class faculty, and immersive experience with the industry enabled me, who was an engineering fresher, to discover capabilities that I never knew I had. Along with academics, student clubs, committees, and various extracurricular activities helped me in personality development, which helped me build a rewarding career. IIM Nagpur introduced me to a group of talented people from all walks of life. My interactions with fellow batchmates and the resultant peer learning will be the highlight of my time at IIMN. Currently working in Marketing and Strategy domain, which I have always desired to be in - IIM Nagpur gave me ample amount of academic courses and industry opportunities to learn and evolve as a Marketing professional. IIMN gives a holistic ecosystem and an experience to cherish, truly a perfect place to build your dream career.

**Sagnik Chakraborty**  
BATCH 2017-19

It was a rewarding experience for me to be a part of the IIM Nagpur family. The transition from academics to the industry has been quite smooth for me. The key enablers for this have been the pedagogy adopted by our faculty members, the frequent academic-industry collaboration, the involvement of a larger ecosystem of governing bodies and alumni for the development of the students. Apart from case-based learning, which encourages to implement the theories to solve a management problem, the immersion programs (be it at a local level or at an international one) conducted by the institute help in putting the theories into practice under the proper guidance of both the industry and academic partners. These helps in the overall development of a student to face the industry and lead that to success.

**YOGESH L**  
BATCH 2019-21

The two years spent at IIM Nagpur were nothing short of an exhilarating experience. The case-based curriculum and working on the academic projects parallelly gave an entire 360-degree view of the business challenges, which really comes in handy in pursuing our journey in the corporate world. Personally, IIM Nagpur has been one of the places which helped me push my limits and groomed me well enough to take up the upcoming challenges in my professional career. Finally, cannot miss out on the Amazing faculties and the peer group who have been a pillar of support throughout the learning journey.

**Hardik Soni**  
BATCH 2021-23

IIM Nagpur's education extended far beyond the curriculum, embracing the key ideals of teamwork and a shared commitment to attaining optimal outcomes in both management and personal growth. Through engaging lectures and informative case discussions, the professors, with their wealth of business and academic expertise, continually challenged our ideas and assisted us in becoming precise and perceptive decision-makers. Being a member of the acclaimed network of peers, instructors, and industry professionals at IIM Nagpur has been incredibly inspirational, as their collective expertise has ingrained in us the values of professionalism, attention, and purposefulness in seeking future chances.

**Dev Das**  
BATCH 2021-23

Experience is the best teacher one can have and only a fraction of the erudition you possess would be imparted by the books offered in your curriculum. At IIM Nagpur, the focus has always been to create that experience and propitious environment which enables the students to extract the maximum out of what is given to them, and what they have a hold on. It was an absolute honor to be nurtured in that atmosphere, alongside my peers under the supervision of exceptional professors and industry stalwarts who aided us in expanding our horizons and taught us to be perpetual learners.

# Media Coverage & Highlights

## 'Ability to assess is key to survival of economies'

LOOKMATTERS TIMES

Today's world is an uncertain one. The world has, in fact, always been uncertain. Crisis of different types, at various times, have always kept the world's affairs uncertain, and member of the Economic Advisory Council to the Prime Minister (EAM PM), Nagesh Kumar while addressing MBA students at IIM Nagpur on Monday afternoon. He was speaking on 'Understanding the uncertainties'.

While elaborating on his statement, Nagesh highlighted on understanding during the tough times of the pandemic. This was when there could have been an assumption about where things would go. The situation was uncertain as there was no clear path. Mr. Nagesh answered queries put forth by students.

Dr. Shrinivas Mehta, Managing Director of IIM Nagpur, addressing a group of students during a programme held at IIM Nagpur on Monday.

During the special session, Nagesh held an interactive session with the students. He said that the world is full of uncertainties and it is important to understand them. He said that the world is full of uncertainties and it is important to understand them. He said that the world is full of uncertainties and it is important to understand them.

## Two-day agri-technology workshop held at IIM

The Indian Institute of Management Nagpur (IIM-N), in collaboration with Maharashtra State Agricultural Marketing Board (MSAMB) and Asian Development Bank (ADB), conducted a two-day 'Agri-technology workshop' and 'Buyer-Seller Meet' designed to benefit the state's farmer producer organizations (FPOs).

The event was a part of the MAGNET project, a joint venture between MSAMB and ADB, aimed at empowering FPOs in Maharashtra by granting them access to the latest agricultural technological advancements. In line with this objective, the project team had planned a series of cutting-edge workshops and buyer-seller meets were held recently. IIM Nagpur has initiated several programmes to enhance orange farmers' business acumen and industry knowledge.

## Book on corporate governance released at IIM-Nagpur

Bhimaraya Mehta, director of IIM-Nagpur, released the book 'Corporate Governance in the 21st Century' authored by Prof. Arun Kumar Rath, Chairman, Centre of Excellence for Corporate Governance (CECG), recently.

The book launch programme was organized by IIM-Nagpur in collaboration with the Centre of Excellence for Corporate Governance, CEGC, and Sustainability. An adjunct professor in strategy and entrepreneurship at IIM-Nagpur, Rath, is a distinguished fellow of the Institute of Directors and a fellow of the All India Management Association, New Delhi. He has published several research articles on corporate governance, CSR, and sustainability. While briefing about the book, Rath said, "The book is an outcome of my interactions at different levels. These interactions have prompted me to write a book focusing exclusively on comprehensive corporate governance in the global and Indian scenarios. The book will be helpful for faculty members, students, research scholars, corporate directors, managers, and policymakers engaged in the study and practice of corporate governance." Rath said.

# About Nagpur

**Nagpur**, located at the heart of the country, has marked its presence as one of the fastest growing cities in India. Popularly known as the Orange City, Nagpur has shown tremendous growth in terms of infrastructure development attracting investments from different parts of the globe. MIHAN (Multi-modal International Airport and Hub at Nagpur) Project, said to be the largest infrastructure development in Asia, has put Nagpur on the world map. Soon-to-be the first large-scale integrated smart city of the country, Nagpur is easily accessible to all the major cities across the country. All the major highways and railways trunk routes pass through Nagpur,

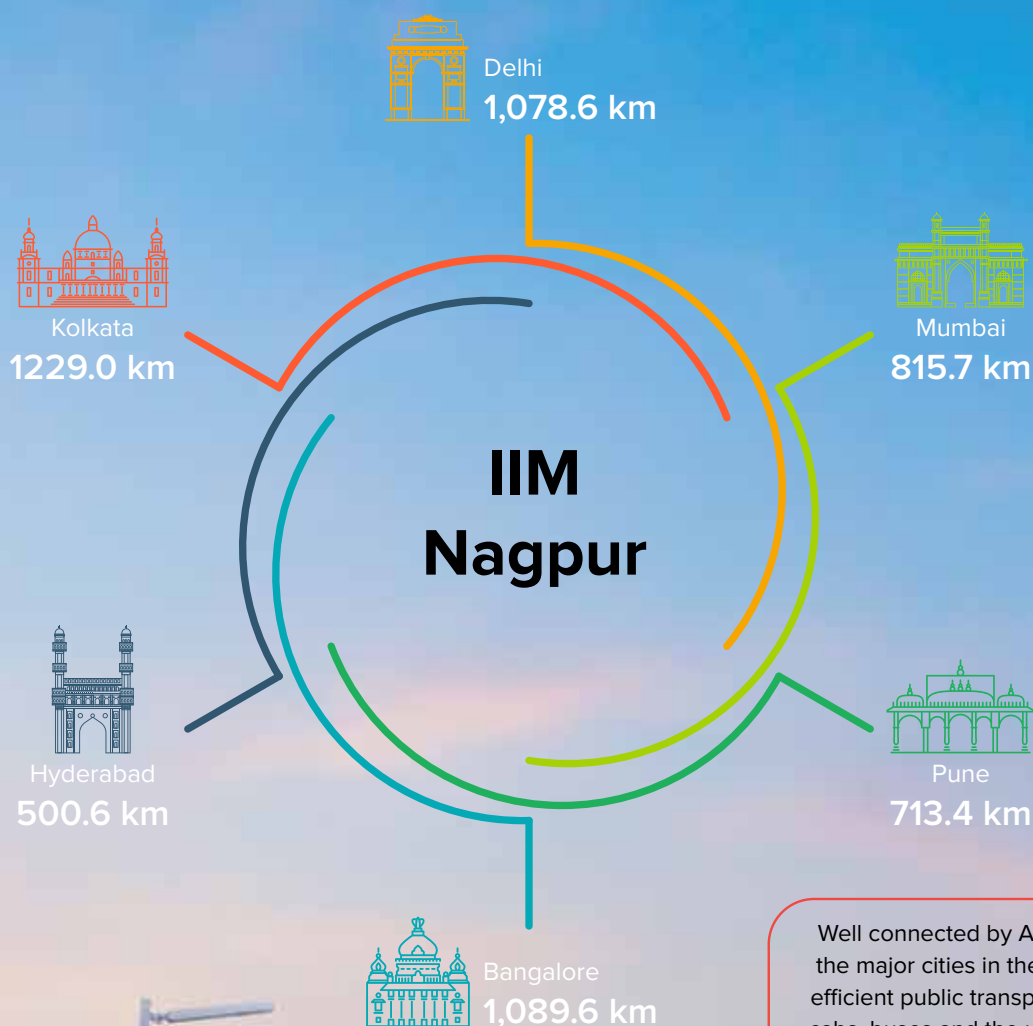

making it potentially the biggest logistics hub in India.

Nagpur is an educational hub in Central India which has attracted the Government's attention to setup premiere institutes in and around the city. Surrounded by five forest reserves, Nagpur attracts wildlife tourism and has been named as the 'Tiger Capital of India'. Surging industrial growth, fast-growing infrastructure, strong connectivity and best-in-class educational institutions are some of the key factors that make Nagpur one of the most sought-after cities in the country.

# How to Reach Campus

Well connected by Air, Road and Rail to all the major cities in the country, Nagpur has efficient public transport within the city like cabs, buses and the upcoming Nagpur Rail Metro. Pre-paid taxi and Cab aggregations are available 24x7 in Nagpur.
