Dear Sir,

Re: Audit of Final Placement Report for the batch 2021-2023 of master's in business administration Programs.

We have audited the data related to job role, function, sector and location as presented in the Final Placement Report prepared by you for the final placement (based on the offers received and completion certificate accepted on campus) for the batch of master's in business administration Program of Indian Institute of Management Nagpur (IIM Nagpur) for 2021-2023.

Infomerics Analytics and Research (IAR) responsibility is to validate the information related to job role, function, sector and location provided in the report with the relevant documentation and comment on the Placement Report's conformance with the Indian Placement Reporting Standards (IPRS) Revision 2.2.

In this context, we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary. In our opinion, the Placement Report complies with the Indian Placement Reporting Standards Revision 2.2.
2. The validation of information presented in the report is based on communication received by "IIM Nagpur" from recruiting companies. Infomerics Analytics and Research Private Limited has not independently sourced any information or documentation.
3. We have verified the information with respect to job location, function and remuneration presented in the report with communication received from recruiters by recruiters of IIM Nagpur.
 - a) The information has been categorized as best as possible under different salary heads as given in the IPRS Revision 2.2; where a break-up was not available, the salary has been considered only as 'Cost to Company.'
 - b) The data points mentioned under different salary heads are representative of aggregate salary components offered to the candidates.

- c) Long term benefits like retention bonus, and other long-term benefits to be paid after the first year. Hence, the corresponding amount has been considered for the calculation of 'Cost to Company.'
- d) Where information on the job location of some students was missing, the institute has confirmed the details on their location. An official confirmation regarding the job location details has been obtained from the Placement Chair.
- 4. The acceptance of offers and number of students opting out of the placement process has been established through the written communication by IIM Nagpur.

Best Regards,

TG Uday Kumar

CHAIRPERSON'S NOTE

We are delighted to release the Final Placement report for the 2021-2023 batch of our flagship Master of Business Administration (MBA) programs.

This year, 190+ organizations participated actively, extending a total of 290+ offers across various domains including Consulting, Finance, HR, Operations, Sales & Marketing, and Strategy. Key sectors represented were BFSI, Consulting, FMCG, IT and Analytics, E-commerce, Manufacturing, Engineering /Technology, and Logistics, among others.

Our students have consistently stood out for their problem-solving and creative thinking abilities, achieving remarkable success in corporate and non-corporate competitions. Notably, 40+ of our students emerged as national-level achievers in prestigious Corporate Competitions, including 3 National Winners, 7 National Finalists, and 31 National Semi-Finalists.

These accomplishments would not have been possible without the unwavering support of our recruiters, who have placed immense trust in the institute. The recruitment drives also welcomed several new organizations to our esteemed list of hiring partners. We extend our sincere gratitude to all the corporate organizations and recruiting partners for their invaluable contributions to this success. We look forward to continued fruitful collaborations in the future.
